VI. REPORTS

Oregon Conference Coordinating Council

Many of the Boards, Commissions and Committees of the Oregon Annual Conference have availed themselves of the facilities offered by this Council during the year just closing. Our particular form of organization has been requested from other Conferences once they have heard of the various departments properly integrated under which we operate.

The office is now well equipped and adequate personnel is available to meet every demand. Real effectiveness is maintained, with a minimum of duplication.

We are glad to report that the Audio-Visual department is gradually adding to its library of films, that the Camp Secretary is discovering that "camping" is now "big business" in Oregon, and that the mimeographing department is frequently swamped in its endeavor to get the needed material out on schedule.

Each conference report will bear evidence of the cooperation and effective work of the Council operating as a unit. Details of the field workers ardent assistance, as well as the planning and progress of our correlated program, will also be evident.

Naturally as the program expands, additional materials and office equipment will be required to assure the realization of significant and commendable objectives.

We will be long indebted to Dr. Ernest Harold, the present Executive Secretary of the Council, for his untiring and unselfish efforts in steering this comparatively new organization through the first years of its service to the Conference. Our prayers and best wishes accompany him and Mrs. Harold as they enter a long-merited retirement.

5. Methodist Student Day and Student Recognition Day can be used by local churches with recruitment in mind.

6. Ministers will be urged to include this emphasis in their preaching schedules. If possible, a Sunday in October or November will be designated as Christian Vocations Day. District Superintendents will be asked to emphasize the pastor's role in recruitment during their District Pastor's Retreats.

7. O.M.S.M. fall and spring conferences will include Christian Vocations and recruitment in their programs.

8. Recruitment will be stressed at the annual meetings of Methodist Men and the WSCS, particularly emphasizing the important role that parents and laymen play in this whole matter.

9. At the fall churchmanship schools time will be given for training in counseling and recruiting for church-related vocations.

10. Either a week end Church Vocations Conference or district workshops will be held in the fall sponsored by the Commission and the Christian Vocations Fellowship.

11. MYF state conclaves and sub-district meetings will be used to explain and promote church-related vocations.

12. Local churches will be asked and urged to have committees on Christian Vocations.

COMMISSION ON CHRISTIAN HIGHER EDUCATION

The Commission has tried to keep abreast of the blue-print for the Annual Conferences, as we draw near the close of the quadrennium, hence, the major goals of the Methodist Church are being kept before the churches of the Conference.

1. We have made some gains in the general support of the work of Higher Education across the church. Our own support of Willamette University and the Wesley Foundations is improving slowly, but as long as some progress is noted we can look ahead with some hope. We have not yet seen the seriousness of our responsibility nor the extent to which our personal and financial support of Higher Education should go. We need to keep the programs of Willamette and the Foundations strongly before our churches each and every year. It is a point at which we dare not lag. The University and the Foundations continue to make deputation teams and faculty members available for church services, official boards, and church groups. The Commission hopes that continued and enlarging use will be made of these resources to inform our church members of the part they can play. Our brochure and other materials have been widely and effectively used this past year.

2. This is the year, the Oregon Centennial year, when significant programs have been advanced for emphasizing the work of Willamette and the Foundations. Anniversary dinners, services of rededication, and other events have deepened the spiritual values and concerns of these institutions. A really great event is being planned for May 31, 1959, when Willamette University will hold its service of re-dedication, in keeping with the over-all plan for Methodist institutions of higher learning. This event will take place on the campus at the time of the annual baccalaureate, with Bishop Fred Corson, chairman of the General Board of Education, leading in the service. This will be one of the high points for Oregon Methodists during the Centennial year.

3. A series of District or sub-District Conferences still seem to be mandatory in the general promotional scheme relating to Higher Education. The Conferences were not scheduled last fall because of the press of business within the Conference, and after the Coordinating Council prepared its annual calendar, it did not seem wise to proceed. The plan for this year will depend upon the year's work as established again by the Council. In the meantime, the best source of information for the local church is the student who goes to college from that church and the fellow students who are available as speakers and leaders.

4. We continue to urge the appointment in each local church of a lay representative of Higher Education, that some one person in each local church will be responsible. We also urge every effort be made in the local church to lift the level of giving to \$1.50 per member for Higher Education. One dollar should be the goal for Willamette University and .50 for Wesley Foundations.

STUDY SECTION ON EDUCATION

REPORT OF THE CHAIRMAN, BOARD OF EDUCATION

Much of the program of the Board of Education this past year has been aimed at giving special assistance to local churches when requested to do so. Our Conference Children's and Youth Workers have spent considerable time on the local church and sub-district level in training leaders in our church school and youth programs. Their reports will reflect this.

This coming year the leadership training program will be focused on setting up first and second series leadership school throughout the conference.

Moderate growth in most phases of our work with people of all ages is the definite trend. We will continue to work for greater progress in the areas of adult and family life where we have found it most difficult to "get off the ground" in providing program helps and guidance on a conference basis.

We have recommended September 20, 1959, as our Sunday School Rally Day with the special offering to go to the program of our Division of the Local Church Activities. The budget for this program has been established at \$3680 and is divided as follows:

Educational Supplies	\$250
Newsletter	200
Rally Day Promotion	350
Children's Division	350
Youth Division	350
Methodist Student Movement	100
Adult Work	250
Family Life Committee	250
Laboratory School	350
Leadership Education and Coaching Conferences	530
National Conferences (Staff 400, Board Members 300)	700
	\$3,680

We are deeply appreciative of the fine support a growing number of our churches gave to the Rally Day Offering this year.

The budget we are proposing on behalf of our educational institutions is the largest in our history. We feel that it represents the largest concrete step that we have taken during this Quadrennial Emphasis on Higher Education to implement our ministry to young people on our college campuses. A new and critical area of opportunity is very pressing at Portland State College.

Foregoing reports will tell part of the story of the many areas of concern and need that represent the ministry of your Board of Education to the people of our Conference.

THE REPORT OF THE COMMISSION ON CHRISTIAN VOCATIONS, 1959

At its meeting in March, the Commission re-organized, evaluated its objectives and accomplishments, and made plans for the future. The leadership of the Commission is now as follows: chairman, Robert Kingsbury; vice chairman, David Poindexter; and secretary, Robert Peters. In checking last year's work, it was found that for the most part all program suggestions were carried out. For next Conference year and the remainder of the present one, the Commission decided to center its emphasis on the recruitment of persons to church-related vocations. In order to do this, the following twelve steps will be taken:

1. The Coordinating Council monthly mailing will be used to keep church leaders informed and challenged.
2. More complete use will be made of the Conference file on persons interested in church-related vocations.
3. The Annual Conference is asked to designate 1959-60 as a "Year of Recruitment."
4. Church-related vocations will be promoted through the church's summer camping program with recruitment as a definite goal.

alumni and ministers of our Methodist churches asking for their recommendations of prospective students whom they consider would profitably gain from an education in the Willamette tradition.

No institution of higher learning today, be it tax supported or dependent upon private gifts, is able to maintain or strengthen its educational program without increased financial support. At Willamette this year, 22% of the total educational budget must be met by gifts. That there are those of its graduates who have a clear strong interest in Willamette's welfare and progress is reflected in the alumni support for the past year. As a group, the Methodist-related colleges throughout the United States receive support from less than 15% of their total alumni. Last year Willamette received annual gifts from nearly 40% of her former students.

In addition to alumni support, private business has responded to the needs of private education. Through the Oregon Colleges Foundation, an organization of the ten independent colleges, corporations gave over \$18,000 last year to Willamette University. The Methodist church too has recognized the importance and need for annual support, and in 1958 gave a record total of \$18,000. This amount represents 37c per member. Although several churches are supporting Willamette in their budgets, the minimum of \$1.00 per member adopted by the Oregon Conference in 1956 for higher education, has been achieved by only two congregations. They are Forest Grove and First Church, Salem.

REPORT OF WESLEY FOUNDATION AT SOUTHERN OREGON COLLEGE Ashland, Oregon

Of the nearly 1100 students presently enrolled at Southern Oregon College, one hundred fifty list themselves as Methodist preference. Although ministering to these students is the particular responsibility of the local Wesley Foundation, the fact that it is the only student Christian center on campus presents a unique opportunity for ventures in grass-roots ecumenicity.

Throughout the school year a nucleus of approximately fifteen Methodist students have participated regularly in the Sunday evening fellowships, which include talks, discussions, panels, and films on Christianity and its relevance to present-day problems. Members of the Ashland Woman's Society of Christian Service and the Wesleyan Service Guild have been lending valuable support by furnishing weekly snacks for these programs. Recreational facilities at the Foundation have involved some fifteen to twenty additional students. Transportation is provided to the morning worship service in First Methodist Church, two miles distant, and several college students sing regularly in the church choir.

The ladies of the Talent and Medford Woman's Societies of Christian Service, as well as local Presbyterian women, have shared with Ashland in providing monthly Thursday luncheons for students from the three Protestant groups on Campus. Such occasions not only serve the students, but help to acquaint members of local churches in the sub-district with the Wesley Foundation program.

A recent visit of the District Superintendent and local Foundation representatives with the college administration, offering our help was instrumental, in part, in the revival of a Religious Emphasis Week during spring term.

While the college is in the present stage of rapid growth (an enrollment of over two thousand is expected by 1960-61), the Foundation's challenge seems to be two-fold: 1) to maintain an effective ministry to Methodist students and 2) to seek to provide a Christian witness to the wholeness of life to the entire campus community.

At the completion of the first full year in our new building, we at the Foundation in Ashland wish to express our deep appreciation for the support of Oregon Methodists in the past and urge your continued concern on behalf of the ministry to students at Southern Oregon College.

REPORT OF WESLEY FOUNDATION AT OREGON STATE COLLEGE

The Church-Foundation has responsibility to provide a ministry to the college community including a student body of 8,000 students, of whom approximately

5. The Commission feels that the time has come to enter into an all-out campaign for sufficient funds to support the work at Willamette University, the Wesley Foundations, Alaska University, and the Negro Colleges. The needs as seen in these areas are tremendous.

We, therefore, propose a campaign in the interest of Higher Education as per the following budget:

a—to the respective Boards of Directors of the Wesley Foundations we recommend the following amounts for the suggested purposes:

Wesley Foundation, Southern Oregon College, Ashland	\$ 15,000
Furnishings and improving parsonage situation	
Wesley Foundation, Oregon College Education, Monmouth	35,000
Buildings and equipment	
Wesley Foundation, Oregon State, Corvallis	15,000
Furnishings, equipment, improvement	
Wesley Foundation, University of Oregon, Eugene. Equipment	3,500
New work at Portland State—Building rental, program, or building	10,000

b—We recommend the following amounts for use by the agency designated:

Willamette University	100,000
Alaska Methodist University	25,000
Methodist Negro Colleges	25,000
Total amount	\$228,500

We recommend: that the campaign for funds shall be held, beginning with the 1960 Conference and the new quadrennium, that it run for two years, or over a three-year tax period;

that the fund drive be in conjunction with the Conference Board of Missions in their request for extension funds;

that there be a joint committee of members from the Commission on Higher Education, the Board of Education, and the Board of Missions of the Conference, to organize, implement and develop this campaign;

that an attempt be made to raise one-half of the total in a pre-campaign person-to-person basis across the Conference, in cooperation with the Bishop and the Cabinet, and that the remainder be allocated to the local churches on the grade point system.

REPORT ON WILLAMETTE UNIVERSITY

Salem, Oregon

The college year 1958-1959 has seen the University continuing to grow in strength and service. Because it is also the centennial year for the state of Oregon and throughout the state its citizens are reviewing the heritage which is theirs, it does not seem inappropriate that we be reminded of Willamette's great place in the growth of our state.

Two new programs in particular which are helping to meet the special needs of the students were begun last fall. An honors program for fifteen superior students was established. These students, members of the junior class, are meeting in special seminars to consider the backgrounds of problems in contemporary civilization. Because Willamette has traditionally been interested in the needs of every student, there has also been established a new course for selected freshmen to develop their study skills. Under the leadership of Dr. Walter S. Blake, Dean of Students, many students are finding real success, especially in improving their reading habits.

The increasing number of students wanting to enter colleges and the rising cost of education has caused Willamette to place a limit on the number of students which it can enroll. Its Board of Trustees, after careful study, decided that the enrollment at Willamette should not exceed 1250 full-time students. The Board of Trustees realizes that in the years ahead this means such a limitation will probably make it impossible to serve all who would want to enroll. In order to assure that consideration will be given to as many qualified students as possible who desire to attend Willamette, the University has asked the cooperation of its constituents. Letters have gone both to the

Methodist Church asked the associate minister, James McCobb, to work on the campus as a Methodist student worker.

Encouraged by these expressions of interest, Mr. Hallman convened a Consultation on Campus Christian Life at Portland State College on January 13, 1959. Resource person was the Rev. David Sagaser, Executive Secretary of the Department of Campus Christian Life of the National Council of Churches. Craig Harper, Robert Peters, and James McCobb represented the Methodist Church at the consultation.

Portland State College presently is located along the Park Blocks in Portland between Market Street and Montgomery. There are 3200 full-time students enrolled in September, 1958. 4100 students are expected to enroll in the fall of 1959, and by 1965, 7200 to 9000 are expected and an enrollment of 12,000 is anticipated by 1975. At present, there are 249 Methodist preference students. Only the Lutherans (299) and the Roman Catholics (409) have more. 1426 students list no preference. Students are almost entirely commuters.

The conclusion of the Consultation was that the need for a much enlarged student program was urgent. This need could best be met by the close cooperation of interested denominations. The pattern in urban colleges across the country indicates this is the most successful approach. Therefore, a committee of representatives of the seven denominations listed earlier, including James McCobb, as Methodist representative, was formed and instructed to discuss ways and means of denominational cooperation.

After several meetings, a working paper was drafted and submitted to a meeting of denominational representatives which included Craig Harper, Laurence Nye and James McCobb on behalf of Methodism. That group delegated a committee to spend the next year in drawing up the articles of cooperation.

Following these developments, it was felt that there should be a campus committee to supervise Methodist work. Such a committee was called at First Methodist Church and a budget was approved and sent to the Conference Board of Education.

After some discussion, the First Church committee felt that the Portland State student work should be supervised by representatives of the various local churches with students on campus. Accordingly the matter was discussed with the District Superintendent, and he called a meeting of local church representatives for May 21, 1959. That meeting was attended by persons from Montavilla, St. Johns Pioneer, Centenary-Wilbur and First Methodist Church. As a result of that meeting, there was established The Portland State Wesley Board composed of the following members:

Chairman, Ernest Wilson
Steve Matheson, Montavilla
Mrs. Jewell Thomas, St. Johns Pioneer
Philip Gogo, Centenary-Wilbur
Richard Halley, First Church, Portland.

This Board is to be enlarged to include other interested local churches and other representation from across the Conference. It is contemplated that this Board would operate as the instrument of the Conference on the Portland State College Campus.

Those of us who have been involved in these developments feel that we are on the threshold of a most significant ministry to students at Portland State College. We recommend that the Conference give its enthusiastic support to this program.

Respectfully submitted,
THE PORTLAND STATE WESLEY BOARD
Ernest Wilson, Chairman
James E. McCobb, Secretary ProTem

1,300 have expressed a Methodist Preference. The following are the approaches we make to this specialized ministry.

LOCAL CHURCH PROGRAM. Students, faculty and members of the college staff participate actively in the life of the church. An analysis of registration cards indicates an average Sunday morning attendance of over 500 students. Choirs, committees, church school and even custodial staff include members of the college community. Five students live in church quarters and serve as part-time custodial assistants, gaining experience in churchmanship while earning partial school expense.

SINGLE STUDENTS PROGRAM. A student Council directs an active program of study, worship, wholesome social life and service. The Sunday evening Forum has been the largest single weekly activity, though the calendar of the week includes numerous study groups, classes, social activities and events of special interest. Occasional visitors to campus from the seminaries and Board of Missions assist in counseling students regarding the possibilities of church-related vocations. Our students have participated in the Regional Training Conference at Luccock Park, Montana just prior to the opening of school in the Fall, and in the Oregon Methodist Student Movement retreats during the school year.

MARRIED STUDENTS PROGRAM. The "Wesley Weds" group, designed especially for married students, also includes young members of the O.S.C. faculty. An important part of the year for the "Weds" was a retreat, January 1-3, at Camp Magruder. Each month the group meets for a serious discussion and once a month for a social event. Each Sunday morning a class meets as part of the church school program. During the Fall quarter a group of wives met in a group therapy experience which proved to be a helpful and interesting experiment.

COOPERATIVE APPROACH TO CAMPUS WITH OTHER FOUNDATIONS. The proclamation of the Christian Faith on a college campus is sometimes best accomplished as a united witness. Several such efforts were made this year which were successful. (One was not. This was an attempt to conduct classes on an inter-foundation basis.) Future plans, with more careful planning, will be even more fruitful. Most encouraging in its results was a seminar for campus leaders held in the Fall with the College President, Head of the Dept. of Religion, eleven key student body officers and three Foundation Directors. Another successful venture was the presentation of a dramatic production, "The Sign of Jonah" on campus. About 900 people have seen this excellent play.

The Board of Directors of the Wesley Foundation, at its September 28 meeting, adopted a statement of purpose and function effecting certain changes in its status. The relationship of the Board to the Wesley Foundation has been established as similar to that of the Quarterly Conference to the local church, with the official board serving as the administrative agent for both Church and Foundation. The need to maintain close ties in the integrated situation will make desirable the continuing examination of the relationship between local Church and Foundation.

The explosive growth projected for Oregon State College in the immediate future emphasizes both the importance of this Conference project and the need for effective planning to meet multiplying responsibilities just ahead!

Respectfully submitted,
Robert N. Peters

PORTLAND STATE WESLEY BOARD

The foundation has been laid during this year for a Methodist ministry to students at Portland State College.

Up to this year, the United Presbyterian Church has been the only major Protestant denomination active on the Portland State Campus. Under the leadership of the Rev. William Hallman, the Presbyterians have assumed the leadership of The Campus Christian Association which has been an interdenominational group ministering to some Methodist students as well as students from other denominations. During this year, several other denominations brought staff persons to urban churches who would develop campus student work. Those churches principally concerned are Lutherans, Episcopalians, Congregationalists, Disciples, and Baptists. Last fall, First

an average of nineteen students. The local Westminster Fellowship aided us in the program this year.

The high mark of the year was the Tenth Anniversary celebration of the founding of the Wesley Foundation at Oregon College of Education which was held on February 8. Seventy-seven members and friends assembled for an enjoyable evening.

Absolutely no progress was made in any area of the building program. None is foreseen in the coming year.

REPORT OF VISITORS TO THE PACIFIC SCHOOL OF RELIGION Berkeley, California

Judging from the 'invasion' of California by Methodist ministers of the Oregon Annual Conference attending the Earle Lectures last February, this excellent lecture series is becoming increasingly popular with our brethren. The Pacific School of Religion also serves our conference in providing theological training for many of its ministers. This year there are three men from Oregon in attendance at the school.

We are told that the cost of training one minister for one year at P.S.R. is \$1800. The amount we have been contributing from conference benevolences to this school is \$325. We certainly are the greater beneficiaries of the close ties that our conference has with this school. In addition, many of you have taken advantage of the library and Palestine exhibit loan service provided by the school.

P.S.R. anticipates an operating budget of \$360,000 next year, and \$90,000 of that must be secured in contributions from individuals and churches. We encourage our churches to make the needs of the Pacific School of Religion known to their people and to provide opportunity for them to include the school in their benevolence program.

THE REPORT OF THE CAMP COMMISSION 1959

The Camp Commission's first task after Conference this last year was to reorganize. At their first meeting in the Fall, new committees and personnel were agreed upon. Each of the three separate camp site commissions brought in proposed budgets for the new year which were adopted essentially as proposed. Dead Indian has purchased a deep freeze and plans to refinish and install a filtration system at the swimming pool, and to encourage separate churches to build eight new cabins according to Forest Service specifications. The new Dolph Lodge is complete and built so inexpensively because of the donated materials and labor. The fireplace, a project of the Conference Youth Fellowship, is yet to be built. Suttle Lake plans to acquire two aluminum boats that can be stored in the lodge basement and to construct shower and toilet facilities on the south side of the camp. Many improvements were added to the facilities of Camp Magruder during the conference year, largely owing to the industry of Camp Manager Fritz Marvel and the backing of the Magruder Camp Site Committee. Some of these improvements include the remodeling of Miller Cottage attic, replacement of the 5200 gallon water tank, construction of three new row boats, overhauling the camp pick-up truck, extending the loading dock on Carrier Lodge, installing steel outside access stairs to the second story of Bunch, Shorehouse and Pioneer cabins, and the beginning of the long and laborious process of asphaltting the major pathways throughout the camp. Some of the funds were raised and tentative plans drawn for the new Sherlock Memorial Building. A big addition to the camp was Mr. Finigan, a friendly and usually obliging burro donated by the Washington School for the Blind.

The Program Committee presented a full program of deans and directors,

THE REPORT OF THE WESLEY FOUNDATION, UNIVERSITY OF OREGON Eugene, Oregon

A new dimension of service was afforded the Wesley Foundation director this year. Along with the other qualified ministers to students of other denominations, the director helped to teach an upper division religion course at the University. This three-term course, coordinated by Dr. Paul Means of the Department of Religion, provided greater opportunities for many students to grow in their interest and knowledge of religion.

In addition to this class, the Foundation ministered and witnessed to the whole campus through the Religious Directors' Association, the University Religious Council, in programs of direct cooperation with other religious groups, and through the use of the Foundation building and chapel which are open every day for individual and group use.

The new director this year found a group of responsible student leaders and a well planned program to begin fall term. There are 626 Methodist preference students at the University, 377 of whom are church members. (This marked a decrease in preference students of 41 compared to last year although University enrollment rose to 6,200. In addition there are more than 1500 students who list themselves as having no preference. These preference and nonpreference students plus faculty and staff of the University are all included in the ministry of the Foundation. All Methodist preference students were contacted, either by mail, phone, or personal calling.

Over 200 students have been involved in some part of the Foundation program. To foster personal friendships and help students to feel "at home", one hundred students, most of them new to the campus, have been dinner guests in the home of the director.

The weekly program at the Foundation included worship, education, service, social and stewardship opportunities. At least two worship services were held each week and rides were provided on Sunday morning for those attending church services in the area. Several small groups provided opportunity for intensive study into the meaning of the Christian life. The School of Religion provided a study of Methodist missions and of Protestantism. Various recreational activities were held each term. Several students taught church school classes, assisted youth groups, sang in choirs, or served in other ways in the nearby local churches. Deputation groups assisted in MYF and WSCS programs. The students had a budget of \$2,100.00 for their own program, \$600.00 of which was raised by pledging. \$400.00 was contributed to Methodist student mission work and an equal amount was used to support an international student from Turkey to study at the University.

113 of the Methodist preference students are married and of this number 61 are church members. These Wes-Weds carried out a fine schedule of programs and social events. 25 couples took part in the Wes-Weds programs. Several couples joined the church during this school year.

The faculty and staff of the University, ministers of nearby Methodist churches, and scores of local citizens who gave of their time and energies, showed a high degree of interest and cooperation in carrying out the program of the Foundation. The Methodist community at the University expresses its appreciation to all of these persons and to the Oregon Annual Conference for the continuing support of this strategic ministry.

THE REPORT OF THE WESLEY FOUNDATION AT OREGON COLLEGE OF EDUCATION

Enrollment at Oregon College of Education now stands at 960 students with some 180 of them registered as Methodist preference. The faculty list now stands at approximately 85, twenty of whom are either members or constituents of the local Church.

Again this year we have rented a school bus which has made two trips a day, each Sunday, from Monmouth to Independence (2½ miles) and return. The average pickup for the morning services has been twelve and for the evening meetings eight. This is a decrease from last year.

We continued our Mid-week Chapel services for the Fall and Spring quarters. These were held on campus on Wednesday noons and were attended by

THE REPORT OF THE OREGON CONFERENCE YOUTH PROGRAM

The Oregon Methodist Youth Fellowship with its three divisions of Intermediate, Senior High and Older Youth, gratefully reports a prosperous year.

The conference youth theme for the year was "Reaching Beyond Ourselves." A long list of successful activities related to the theme could be made, such as, Sub-District and Conference Officers Workshop, summer camps with 834 youth in the three areas attending or counseling, President's Palaver, Fall Action Project on North American Neighbors, witness missions, foreign mission studies, speech contest on the conference theme, four District Conferences, two Christian Vocations Fellowship Retreats, Interdenominational Camp, Old and New Officers Retreat and many others.

A few of the above activities should receive special attention. As part of the Fall Action Project the youth made a special emphasis on Alaska. Miss Edna Cox, a representative MYFer from Anchorage, Alaska, was flown to Oregon to spend two weeks during Christmas vacation touring the state and visiting many different aspects of Oregon MYF work. It was a most enjoyable experience for all involved. District Conferences attracted youth from all over the state. These conferences were not only of an inspirational nature but included training and planning as well. The conference speech contest on the youth theme was won by Gordon Newstrom of Grants Pass. A project started over a year ago to raise money for a fireplace in the new lodge at Camp Dead Indian neared the \$1000.00 mark at the end of the conference year. Of very special mention is the edition of Fellowship Footnotes, the monthly youth newspaper. It was printed this year and contained pictures dealing with the feature articles. Miss Jo Gulley and Miss Carol Johnson were the hard working co-editors who did a first rate job.

There was significant achievement in Older Youth work this year. Nine churches that we know of started Older Youth Fellowships in addition to the ones already active in this field. The first Conference Older Youth Council functioned well throughout the year under the leadership of Mr. Roy Ludlow of Hillsboro. A Fourth of July camp at Suttle Lake and a mid-winter conference at Camp Magruder were enjoyed by Older Youth from several cities about the state.

In the field of leadership education for adult workers with youth, a few new opportunities were added to the old ones. A special adult section met during President's Palaver. Rev. Laurence E. Nye provided inspiration leadership while Mrs. Orville Covault and Rev. Kenneth Mitchell provided guidance in the techniques of youth work. About 60 adults attended. Leadership training classes for adults were held at each of the district youth conferences. About eighty adults took part in the four conferences. A successful experiment was made with an observation school for Junior High and Senior High workers in Portland.

Next Year

Youth activities for the coming year will be varied and exciting. The quadrennial National Convocation for Methodist Youth will be held at Purdue University in Lafayette, Indiana. We hope to send a delegation of thirty-eight youth and adults by train to the conference. A newly emphasized program called Youth Activities Week is sweeping the conference. We expect many churches to participate in this helpful and interesting activity this summer. A Caravan of trained college students led by a qualified adult will visit six Oregon churches over a period of six weeks during the summer to help with youth work. Conclave will again be the big event for Methodist youth from all over Oregon. The Conference Staff will concentrate on 1st and 2nd series leadership training schools in as many areas of the conference as possible next year. In addition, laboratory school, observation schools and other learning experiences will be provided.

Many thanks should be extended to Miss Della Rogers, the conference Youth President, for her very capable leadership throughout the year and to the entire youth council for their hard work. Many adult counselors in local churches and in sub-district work are to be greatly commended for the help

camp dates and program suggestions for summer of 1959. It was noted that 1592 campers and 341 counselors participated in the Methodist camping program in Oregon in 1958. This was besides the new program of cooperation between Oregon Conference Churches in the vicinity of Wallowa Lake with the Idaho Conference. The greatest single need expressed for next year was for more counselors for Junior camps to avoid the necessity of using so many of high school age. The Camp Commission earnestly requests that each church be responsible for furnishing on the average of at least one qualified counselor for every five campers sent from that church. The Commission heartily approves of the new venture in Trail Camping and urges its continuation. It was agreed that this next year each individual dean or director secure a nurse for his own camp. An item of \$200 was approved for the expenses of eight people to attend the Regional Camp Training Conference this coming summer. It is hoped that because of the help these people will receive at the Training Conference, we can move in the direction of the new emphasis on small group camping, especially for the Junior High age.

THE REPORT OF THE CHILDREN'S WORK

Teachers of children in our Church Schools in Oregon have many fine opportunities to become better trained teachers each year. We are told that 90% of our Church members come up through the Church School. This points up the importance of searching out and challenging our best workers in the Church to the privilege of being a teacher in the Church School.

Our annual Laboratory School, held last year at Corvallis, and to be held this year at Forest Grove, June 21-26, is one of our best opportunities for teacher training. During the week long School, a skilled teacher guides the student teachers as they assist in the actual teaching of children and young people.

Vacation Church School training, coaching conferences in some areas, observation schools in others, and subdistrict meetings for Children's Division Superintendents and Secretaries of Children's Work of the Woman's Society of Christian Service have been of profit to all who attended.

Our Junior Camps (boys and girls who have completed the 4th, 5th, and 6th grades) gave about 600 boys and girls a wonderful opportunity to learn about Living and Working together as Christians. Some \$500 was sent in to the Share the Surplus program from the giving project of all the Junior camps. This year we are completing the cycle and using the unit GOD AT WORK IN HIS WORLD or Stewardship of God's World. As a sharing project we will endeavor to put some recreation equipment into our camps as part of the stewardship of our Methodist camps in Oregon.

A great need in our Churches is to emphasize the work of the Nursery Home Visitor. This used to be called the Cradle Roll Superintendent but the name has been changed to the Nursery Home Visitor. This worker and her helpers are of service to the Church as they enroll the babies of Church families on the Nursery Home Roll. The Christian Home magazine is often given as a gift to the parents for six months or a year and later when the child is old enough, he is enrolled in the toddler or nursery department of the Church School. Our regular curriculum begins with the 3-year-old group but until a child reaches that group the Nursery Home Visitor can obtain pamphlets to give to the parents as they seek to raise their children in Christian nurture.

As Director I have tried this year to meet with a "key" group of teachers from a subdistrict and also with local church groups while I am in that locality. This has given me an opportunity to get acquainted with many of the teachers and to assist them in any way I can with their equipment and curriculum. We hope to continue with this type of work next year as we meet in other subdistricts we were not able to reach this year. On these trips I have also met with the local Commission on Education to assist them in their work.

It is our plan to continue visits to local churches, hold leadership classes in some districts or subdistricts and to continue observation schools in other parts of the Conference, as well as other types of training that will meet the needs of teachers and parents of our Methodist Church.

Mrs. J. E. Sayre

As the sports program becomes better established, it is interesting to note active young adults who participated in former years. Many of them owe their activity in church affairs to interest first aroused and then stimulated by church-centered recreation.

The sports committee has continued to appeal to the entire membership of each church for leadership and support, but in the last conference year it has singled out the Methodist Men for its greatest attention.

The committee continues to raise its own funds without asking conference support, and its total budget is less than the cost of sending a delinquent to the reform school.

THE REPORT OF THE BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

This Board reports annually to the Ministerial Executive Session after personal interviews which immediately precede the meeting of the Annual Conference. Only a general indication of our work can be given at this time, therefore.

The Board held its mid-year meeting on January 14, 1959. One personnel interview was held at that time, and matters of common concern were discussed with the Superintendents. The Board was able, for the second consecutive year, to reduce slightly its budget request while at the same time providing for the psychological testing of all candidates for Admission on Trial. A committee was appointed to study the possibility of organizing Preaching Seminars on a District level and a new policy with respect to the supervision of Lay Speakers was adopted.

All ministers are reminded of Conference rule 7.025 and are urged to attend the Pastors' School at the College of Puget Sound, Tacoma, Washington, and all Lay Members are urged to help make this advanced training possible by putting an item into the local church budget to help cover board and room expenses.

The Board of Ministerial Training and Qualifications recommends that the Oregon Annual Conference authorize a Conference on the Ministry during the year 1959-60 and instruct the Coordinating Council to establish a representative committee, including members from the Board of Ministerial Training and Qualifications to plan and execute the same.

Respectfully submitted,
Raymond E. Balcomb, Chairman

THE REPORT OF THE TELEVISION, RADIO AND FILM COMMISSION (Audio-Visual Reports Included)

The Television, Radio, and Film Commission functions in two major areas. We serve local churches and church organizations through our many audio-visual services and even a wider ministry to the general public through our television, radio, and public relations work.

AUDIO-VISUALS

1. The librarian moved her office and the library to the site of the Annual Conference last June and 95 persons visited or previewed materials.
2. Five leaders from our conference attended the Audio-Visual Workshop in Corvallis last Summer which was held in conjunction with the annual Laboratory School.
3. A preview-conference room has been established in the conference headquarters for the convenience of those who come to the office to preview materials.
4. In connection with the above development, three new pieces of equipment have been purchased; a record player, a slide-filmstrip projector, and a filmstrip previewer.
5. Another new service available in the office is the latest edition of the Audio-Visual Equipment Catalog. This book lists every piece of equipment, of every type, its specifications, availability, and price. Com-

they have given the Methodist youth of Oregon. I wish to add a personal word of thanks to Mrs. David Moser, Conference Camp Secretary and Secretary to the Conference Staff, for her great assistance in all youth activities during the year.

Respectfully submitted,
 Craig T. Harper
 Conference Youth and Student Worker

THE REPORT OF THE ADULT DIVISION OF THE BOARD OF EDUCATION

The Adult division has carried on its activities through its District Secretaries. As an ultimate objective, this division feels that a full-time Director of Adult Work in the Conference is necessary. The District Secretaries are keenly aware of the needs in each District for the Christian Education of Adults. Many of the adults who join our churches come from religious backgrounds which have grave limitations from our point of view. The Secretaries can foresee the possibility not only of training adults in Churchmanship and Spiritual skills, but also of promoting and coordinating activities among adults through Methodist Men, Woman's Society of Christian Service, Lay Activities in Stewardship growth, and Missionary education through the office of a competent Conference Director of Adult Work.

The District Secretaries feel a concern for the promotion of work among the Older Adults also. Each Pastor is urged to make appropriate announcements concerning the Mature Years Camp which is held in the Fall annually at Camp Magruder. Transportation is often a problem and this could be made a project of the Young Adult groups of the local church.

Two areas in which your secretary of Adult Work might serve are:
 organization of varied Adult groups.

1. The provision of literature and information for Adult classes
2. Help in organization of varied Adult groups.

Respectfully,
 Robert L. Benefiel
 Chairman

THE REPORT OF METHODIST SPORTS COMMITTEE

The Methodist sports committee is meeting increasing success in using recreation to further the Methodist youth program.

Last year 997 high school students and intermediates played on 54 softball teams in Methodist leagues. In the winter, 25 teams played basketball in Methodist leagues before almost 2000 spectators, with 80 and 100 onlookers at some games, and four teams played volleyball. The outlook for the current softball season is most encouraging.

For each sport, the committee has held coaching conferences for adult leaders and officials, pointing out the opportunities for furthering Christianity through the sports program.

Sportsmanship has been good, teams continue to report youth drawn into the church by the sports program and financial problems have been no greater than usual. The program continues to provide a laboratory experience in applying Christianity to every-day life.

The committee continues to seek even more effective ways of fulfilling its purposes, which are:

1. To fight juvenile delinquency but do far more. By drawing youth into the church, the sports program helps build inner ideals which will make a young person a positive Christian.
2. To deepen the influence of Christianity on the lives of young people.
3. To increase attendance and enrollment of youth in Methodist churches.
4. To provide a laboratory experience for Christian living in a competitive world. We cannot rid the world of competition, and few of us wish to do so; but we can and ought to show people how to triumph without using un-Christian methods.

help as we thought would be useful to the ministers in the local churches. We were very encouraged by your response to the attempt to set a common Sunday in which every church would receive new members. It is our conviction that there are very few churches in the Oregon Conference which would need to be barren churches if we were in earnest about the matter of membership.

In addition to that, we have spent considerable time in discussing the possible program for the coming year, which will be presented in the report of the Conference Board of Evangelism. It is our conviction that during this coming year, we can take some significant steps toward a genuine increase in membership that will be more consistent with the increased population of our state.

Respectfully submitted,
Clarence J. Forsberg
Conference Secretary

THE REPORT OF THE BOARD OF EVANGELISM

Following is the projected program of evangelism for the Oregon Annual Conference for the 1959-60 Conference Year as adopted by the Conference Board of Evangelism on Jan. 14, 1959, and reported to the Conference Coordinating Council.

GOALS

1. Each local Commission on Membership and Evangelism meeting each month, beginning in June.
2. Each local Commission working during the year in all six areas of its concern: (Discipline Par. 222).

Prospects and Cultivation
Visitation and Assimilation
Church Attendance
Spiritual Life, Witness and Service
Prayer and Devotions
Church Membership Rolls

3. Our Local Church opportunity

Each church shall set in June its evangelism goal. It shall include the number to be won by profession of faith, and the total new members to be won. The growth potential of the community, the number of prospects now on the constituency roll, and the past record of the local church should be considered in arriving at the local goal.

Our goal shall be no barren churches (that is, every church shall win members by profession of faith).

4. Our Oregon Conference Opportunity:

With the prospect of a 38% increase in population by 1972, and with unchurched thousands in our communities, our conference goal should at least be for 1959-60:

Win by profession of faith	5000
Total new members (profession of faith, transfer, other denominations, etc.)	8000
Net increase in membership	3000

5. Recognizing that others are won to Christ by our inspiration and example, we recommend that each church hold a "Parade of Witnesses," wherein laymen in some way share their faith with the church.

Suggested ways:

- (1) Three minutes in morning worship service
- (2) Through Church newspaper
- (3) Through the local press

6. Theme: To implement the quadrennial emphasis upon the local church and the year of enlistment, we recommend that 1959-60 be proclaimed Oregon's "Year of Enlistment" with the theme, "Enlist Oregon for Christ." This is the Local Church Quadrennial emphasis.
7. Months of Special Emphasis. We recommend that the months of September and March be set aside as months of special emphasis on evangelism in the Oregon Conference.

mittees planning audio-visual equipment purchases should avail themselves of this service.

6. Whenever possible to do so without prejudicing our own program, items are rented to other churches, not in our conference. These extra funds help us expand our program.
7. These statistics show something of our growth over the past three years.

	member churches	total titles	total items	circu- lation
1956-7	98	263	324	2159
1957-8	100	373	420	2745
1958-9	110	410	527	2775

8. Next year we plan to purchase a 16mm motion picture projector for use in district, sub-district and conference programs.
9. We recommend that the Conference Boards and Agencies deposit the various audio-visual materials in their care with the Conference Audio-Visual Library for storage, care, and circulation.

We further recommend that proposed purchases of audio-visual materials be reported to the Audio-Visual Committee so that a co-ordinated Conference program of audio-visuals can be maintained.

We recommend that TRAFICO be authorized and instructed to appoint a person to coordinate Public Relations of Oregon Conference Methodism in the following instances:

1. Coverage of Annual Conference Sessions.
2. Coverage of major mid-year board meetings.
3. Coverage of major workshops, at least district-wide, especially those involving name leadership.
4. Coverage of major speaking engagements of those speaking to the Conference or its parts during the year.

We urge the cooperation of the coordinating council and its executive secretary in helping to channel all such public relations through the person appointed.

We further recommend that the person so appointed be from the metropolitan Portland area, since this is the seat of Conference headquarters.

O. Maxwell Graham, Chairman

STUDY SECTION ON MEMBERSHIP AND EVANGELISM

THE REPORT OF THE SECRETARY OF THE BOARD OF EVANGELISM

As your Secretary of Evangelism, I wish to express our appreciation to the men who have served this year in the capacity of District Secretaries of Evangelism. In the Eugene District, Rev. Luis Bove began the year as District Secretary, and then because of illness, had to relinquish his responsibilities; they were assumed by James Jenkins. Joe Harding has served as District Secretary in the Salem District; Norman Thomas, in the Portland District; and Larry Loftus, in the Forest Grove District.

It would be hard to find five men anywhere who have a deeper concern for the program of Membership and Evangelism in the Conference. These persons have developed a program in their own District in keeping with the emphasis outlined by the Annual Conference of 1958. In each District, there has been a District Committee on Evangelism, composed of ministers and laymen, to care for the many separate areas of work that are involved. In addition to their work with the District Committees, the District Secretaries have, by their own example, set a high standard for all of us in Evangelism.

In addition, we have met regularly as Secretaries to receive reports from local churches and from the District Superintendents, and to explore new avenues of approaching our common problem. We have tried to pass on such

8. March. Total Enlistment Month. Purpose: To enlist every professing Christian for deeper loyalty to the Faith.

Every local church shall conduct a "Total Enlistment Mission." This is a mission to members, a re-examination of the membership vows of prayer, attendance, giving and service. Each church shall announce its selected date and preliminary plans at the First Quarterly Conference in the Fall, in order that adequate leadership may be provided.

9. That we observe All-Conference Membership Sundays on

August 23, 1959
October 25, 1959
December 20, 1959
February 28, 1960
April 17, 1960
May 22, 1960

Each church shall endeavor to receive new members on each of these Sundays.

Ernest W. Peterson
Chairman

REPORT OF CONFERENCE BOARD OF LAY ACTIVITIES

Lay Activities represents a number of fields: Stewardship, Every Member Canvass, Methodist Men, Laymen's Day, Lay Speaking, Methodist Men's Assembly, Training of Leaders in the local church and Methodist Men's Hour.

Stewardship:

By action of last Annual Conference, the Board was requested to conduct an emphasis upon the Stewardship of Possessions during this Conference year. To this end, the program of the National Church was introduced carefully by the Board, district by district. Dr. Edwin A. Briggs, Director of Stewardship on the General Board of Lay Activities staff devoted an entire week to this presentation throughout the Oregon Conference. During these workshops, this program that has been so successful in other Conferences was spelled out to ministerial and lay representatives from our local churches. The program was conducted in the month of February by churches with a number of others planning for an April emphasis. Approximately $\frac{1}{3}$ of our churches availed themselves of this enriching program of stewardship study and we feel sure other churches will discover its power and wish to enter it during the next year. This study program reaches every member of the local church resulting in an increased number of tithers. We are greatly indebted to Mr. Ray Miller, layman from Forest Grove, who served ably as Conference Director of Stewardship. Appointment in each local church of a Director of Stewardship is urgently recommended.

Every Member Canvass:

Continuation of our emphasis of using the program of the General Board and the National Council of Churches for conduct of the Every Member Canvass was made. Some churches have employed the Loyalty Dinner as a variation with substantial benefit. Excellent materials are available from the General Board for conduct of the EMC. It is our feeling that the best of all plans includes presentation by callers in the homes on an individual basis and adoption of this plan is recommended to every church in the Conference.

Methodist Men:

An exact count of "fully active" Methodist Men Clubs cannot be given, but we do know that new clubs are being chartered every month. Among others, new charters have been received in the following churches: Grants Pass, Heppner, Echo, Oswego, Amity, Wesley Church at Eugene, Klamath Falls and Garden Home. Much work needs to be done to make the functioning of clubs more effective. To this end, our Associate District Lay Leaders have been assigned to give help each in several churches. It is our hope that through regular visitation with existing clubs and contact in churches where no club now exists, the activities of our clubs may be improved and new clubs formed. No substitute for the active work of the Pastor and Church Lay Leader in developing and improving Methodist Men is possible however.

September: "Total Prospects Month," to be shared jointly by Education and Evangelism.

March: "Total Enlistment Month."

8. Special Days and Programs: We recommend that every local church observe the following special days and emphasis related to evangelism:
 - October 4, 1959—Worldwide Communion Sunday
 - December 13, 1959—Universal Bible Sunday
 - January to Easter, 1960—Worldwide Church Attendance Crusade
 - March 6, 1960—Day of Dedication
 - March, 1960—Week of Evangelism
9. We urge every local church to hold—
 - One week of evangelistic preaching, and
 - One week of evangelistic visiting during 1959-60.
10. Realizing that an evangelistic church is one in which every member is growing spiritually, we urge a deepening of the spiritual life of every member.

PROGRAM

1. District Committees. The District Committees on Evangelism are to be continued and strengthened. They are to be particularly concerned for the extension and expansion of lay witnessing in each local church, and the training of local commissions. Each committee will assist the District Superintendent and the District Church Extension Society in starting at least one new church through surveying, visiting, conducting services, and training leaders.
2. Reports upon plans and progress in evangelism shall be sent by each local church at least quarterly to the District Superintendent and District Evangelism Secretary.
3. Evangelism News Letter. An attractive monthly newsletter on evangelism shall be published and sent to all local, district and conference leaders in evangelism:
 - To inform them of conference and district evangelism programs and plans;
 - To share evangelistic techniques which have proved successful in Oregon;
 - To publicize goals and progress in meeting them;
 - To provide helps for local commissions adapting national emphasis to local programs and needs.
4. June. Each local commission should organize, elect officers, assume and study its duties, and set goals during this first month of the new conference year.
5. September. "Total Prospects Month." (Implementing the Quadrennial Local Church Emphasis for 1959-60). Purpose: Our responsibility is to find every unlisted person for the Church and the Kingdom in every community. Led by the Committee on Prospects and Cultivation and the Commission on Education, each organization of the church (Church School, Woman's Society of Christian Service, Men's Club, Methodist Youth Fellowship, Commission on Evangelism) shall prepare an up-to-date prospect list, and invite these prospects to their first fall meeting. Where needed (at least every five years), a community religious census by telephone or visitation should be conducted.
6. Leadership Training Month.
 - Where possible, ministers are urged to attend the Council of Evangelism's annual meeting in Hollywood, Cal.—Intensive training by participating in the Mission to Southern California—October 11-15, 1959.
 - Commission chairmen and members to be trained in an Interboard School or separate Evangelism training school by sub-districts.
 - (This is the program recommended by the Council of Bishops for 1959-60).
7. February. To strengthen lay evangelistic concern and effectiveness, a Conference on Lay Evangelism shall be held in each district February 16-18. Topics for discussion would include:
 - Person to Person Evangelism.
 - Ways to Reach the Indifferent
 - Lay Leadership in Evangelism
 - How to Start a Small Christian Fellowship

dents. The District Lay Leaders and their Associates have given unstintingly of their time to further the work of the Kingdom in this manner. Many miles are traveled and many hours are used over and above their work in making a living and in their local church assignments.

We persist in the goal of having a chartered Methodist Men's Club in every preaching place.

Methodist Men's Project For 1959-60:

In harmony with the national plan for Methodist Men to equip the library in the new Alaska Methodist University, our Board recommends that Oregon Methodist Laymen undertake to finance the **Chemistry Section**. Arrangements are being made with the University which will provide that the section of library shelves containing the Chemistry volumes will be designated the contribution of the Oregon Conference Laymen. It is estimated that this will cost approximately \$2,000, and accordingly we recommend that the Board be authorized to make solicitation in the Conference through gifts from individuals, clubs and other interested church organizations.

Laymen's Day:

Each year sees an increase in the total number of churches participating in this important recognition of lay activity. Two districts claim 100% participation, and better than 90% have cooperated in the other two districts. The third Sunday of October has thus become a focal point for our Laymen's program and we continue to emphasize the values of developing the morning worship schedule from among laymen within the local church.

Lay Speaking:

With the appointment of a Conference Director of Lay Speaking, Mr. Marcel Chrisman, the Board has for the first time, extended into all the Districts emphasis upon training of laymen in speaking. Oregon has been honored further by the publishing of a new manual for Lay Speaker Training which was written by our own Dr. Laurence E. Nye, former member of the General Board of Lay Activities. We purpose to develop a series of classes in all sections of the Conference to embrace this important field.

Methodist Men's Assembly:

Guest speakers have already been engaged for the next two sessions of this annual event, scheduled again for the week-end following Labor Day on the campus of Willamette University. Dr. R. Franklin Thompson, President of the College of Puget Sound will speak in 1959. He is widely recognized as a leader of lay emphasis. Dr. Elton Trueblood will speak in 1960. Every effort is made in planning for each Assembly to be sure that a "mountain-top experience" spiritually is available for laymen and ministers of the Conference. We have known that a rich and rewarding fellowship has resulted. Plans for the 1959 program are well advanced and promotion in each local church to the end that several men attend from every community thus giving a lasting benefit to the church and its laymen. Churches are urged to develop some help financially for men who attend in order to make sure that none stay at home for lack of the means. Dr. Glenn Gordon of Eugene is General Chairman for 1959.

Churchmanship Schools and District Retreats:

Each District Board has undertaken to conduct a Laymen's Retreat on a District basis, using Suttle Lake, Camp Magruder, Dead Indian and Menucha. Our District Boards have cooperated wherever Churchmanship Schools have been held to the extent requested. More of this type of training is urged, and our Board is desirous of giving leadership in these schools in the work of the Official Board Chairman, Lay Leader, Methodist Men Officers, and the Commission on Stewardship and Finance.

Methodist Men's Hour:

This excellent radio half-hour is made available without charge by the General Board and has been "aired" on three stations during the current Conference year. The speaker is Dr. Charles Ray Goff, pastor of the Chicago Methodist Temple, and widely known throughout the denomination. Local churches are urged to make full use of this program in their communities to extend the ministry of the Methodist Church.

Laymen of the Oregon Conference are privileged to have the enthusiastic support of their Bishop and District Superintendents in the work of Lay Activities. It is significant that the Board of Lay Activities is the only major Board in the Conference made up solely of laymen, other than the District Superinten-

Service and Finance. It was the feeling of the Board that costs of title searches, legal expenses, travel, etc. should be paid by the Conference. For many years, members of the Board and particularly its Chairman, F. M. Phelps, have generously expended their personal funds on such expenses, which should be paid by the Conference. The present Board believes that a policy of paying for all such expenses should be encouraged, budgeted and planned. These are necessary expenses of operating any business dealing in the buying and selling of real and personal property, and the business of investing funds.

g. We have checked our fire policies, and it is our belief that adequate fire insurance is now on our properties.

h. We subordinated our \$10,000.00 first mortgage from the Beaverton Methodist Church to another mortgage in order to permit the Beaverton Church to obtain \$60,000.00 from the Portland Federal Savings and Loan Association. We feel that our investment is adequately covered and that such an action was necessary.

i. At a recent meeting of the board, the board directed the preparation of a card ledger file for the control of all properties owned by the conference. Information would be appreciated from all district superintendents and any others having information of conference properties to assist in the preparation of this essential record.

j. The necessary reports to the Corporation Commission of the State of Oregon have been made.

Respectfully submitted,
Marshall C. Hjelte, Chairman

STUDY SECTION ON PROPERTY AND FINANCE

THE REPORT OF THE CONFERENCE TRUSTEES

This year, there was a great change in the personnel of the Board. As a necessary result, considerable time has been devoted to determining the status of all property under the Board's control.

The corporation holds title to the real and personal property of Camp Magruder, the lease on which Suttle Lake Camp is located, and also the lease on which Dead Indian Soda Springs Camp is located. Other property interests at the present time are as follows:

a. Metolius property—now leased, but the lessee is seriously delinquent and probably should be removed from possession. An investigation of the entire situation is being carried on at this time.

b. Hammond, Oregon—This property is being held for sale. No reasonable offer has yet been received.

c. Bethany—This property was leased last year to the people of that area. Further effort has been made to clarify the lease status of the property at Bethany, Oregon and the situation is in process of negotiation at this time.

d. The Conference Board of Trustees also holds title to the mortgage and securities securing the \$12,000.00 left at Camp Magruder under the terms and conditions set out in the Last Will and Testament of Dr. Magruder.

Other activities and recommendations of the Board:

a. The board has received information about properties owned by the conference at Shaniko, Oregon and Olex, Oregon, and steps are being taken to determine the status of these properties.

b. In addition, the conference is attempting to determine the proper disposition of the parsonage at Lebanon, Oregon.

c. The board has determined that the record title to the Hudson Church property stands in the names of the trustees of the Rainier Methodist Church. It is the understanding of the board that the companies carrying the fire insurance policies on conference property plan to re-evaluate the coverage of such properties during the summer of 1959 in accordance with their policy to re-evaluate property biennially.

d. Since the original report, investigation has been made of the interest of the church in property at Buell, Oregon, and it appears that correction deeds will be necessary to carry out the directive of the conference in 1929 directing the trustees to convey the Buell property to Polk County for public use.

e. The Board obtained a title search of the Hudson Church property at the request of the Rainier Methodist Church.

f. The Board studied and presented a budget to the Commission of World

Certified Public Accountant, Public Service Building, Portland 4, Oregon, is designated as the Conference Auditor. (Conference Rule 4.055).

4. All persons authorized to handle Annual Conference Funds are covered by a blanket bond up to the amount of \$50,000.00 issued by the American Surety Company. (Paragraph 807, 1956 Discipline).

5. All Conference Budget items shall be apportioned to the pastoral charges solely on the "Grade Figure."

6. The Conference Treasurer may disburse each month to the various boards and agencies 1/12 of their respective Conference Funds; the Wesley Foundations approved by the Conference; the Conference Administration Fund; This authorization applies only to the first ten months of the Conference fiscal year.

7. All funds on apportionment, including benevolences, shall be remitted to the Annual Conference Treasurer in ten equal payments, beginning with July and ending in April, except in the case of smaller churches whose apportionments are figured on a quarterly basis.

8. That if necessary, Conference action be taken to require such changes in Rules of Order as may be necessary to carry out the recommendations made in the Commission Report if adopted.

CHURCH EXTENSION (Special Benevolences)

At the request of the Commission on Missions, the Commission on World Service and Finance recommends that the annual item of \$50,000 be continued for Church Extension and that it be apportioned to the charges as a supplemental budget item figured solely on the "Grade Figure." The money is to be divided equally between a revolving loan fund and actual grants in need for church extension. Any church may designate not more than 50% of its contribution to any of the Conference church extension advance special projects. The other 50% must go into the revolving loan fund.

BENEVOLENCE ITEMS

1. The Commission suggests the acceptance of \$83,197 as the Annual Minimum World Service Apportionment from the General Conference for the Conference Year 1959-60.

2. All funds remitted for World Service and Annual Conference Benevolences shall be divided between the two items according to their ratio one to the other in the budget. The Conference Benevolence Budget shall be distributed among the participants in the same manner.

3. The total Benevolences recommended for the Year 1959-60 by the Commission is as follows:

General Church World Service	\$ 83,197
Oregon Annual Conference Benevolences	112,684

Total Benevolence Budget Recommended \$195,881

Previous years for comparison:

	1956-57	1957-58	1958-59	1959-60
Total Budget Accepted	\$171,941.00	\$188,311.00	\$186,358.00	\$195,881
Total Paid on Budget	159,940.00	167,122.00	173,225.00	

4. Special Recommendations:

- That Willamette University be permitted to present in the churches of the Conference the work of the University; and to this end November 8, 1959, be designated as Willamette Day, with permission to take the Willamette offering in as many churches as will cooperate; and that the Oregon Conference recommend to the churches of the Conference that a sum for the support of the University be included in the local church benevolence budgets wherever possible, thus seeking to attain the recommended General Church goal of \$1.00 per member for the support of church-related schools and colleges.
- That Wesley Foundations of Southern Oregon College of Education, Oregon College of Education, Oregon State College, and the University of Oregon be permitted to carry on quiet campaigns for Capital Funds without quotas or assessments.

- d. That the Oregon Conference Woman's Society of Christian Service be permitted to carry on a campaign for Endowment Funds for the Methodist Home at Salem in order to raise \$500,000 without quotas or assessments to the churches.
- e. That Willamette University be permitted to carry on a quiet campaign for funds without quotas or assessments.
- f. That the Board of Education be permitted to carry on a quiet search for Capital Funds for our Conference Camps, including a Camp Scholarship Fund for needy children.
- g. That Rally Day Sunday be observed September 20, 1959, with a goal set at fifteen cents for each Church School member to be used for the Division of the local church.
- h. That the Oregon Conference Board of Lay Activities be allowed to seek funds by quiet hunt without quotas or assessments for the establishing of a Revolving Fund in the General Board of Lay Activities for the Promotion of Stewardship and Finance materials.
- i. That Goodwill Industries be granted the privilege of issuing Conference Special Vouchers granting credit to churches for materials donated to the Goodwill Industries.
- j. That the Board of Lay Activities be authorized to solicit funds for the furnishing of books for the Chemistry Library at the Alaska Methodist University.
- k. That a campaign for funds shall be held, beginning with the 1960 Annual Conference and the new Quadrennium to provide a total of \$228,500 for projects of Higher Education and \$100,000 for Church extension, such fund drive to continue over a period of two Conference years or a three-year tax period; that the fund drive be in conjunction with the Conference Board of Missions in their request for extension funds; that there be a joint committee of members from the Commission on Higher Education, the Board of Education, and the Board of Missions of the Conference, to organize, implement and develop this campaign; that an attempt be made to raise one-half in a pre-campaign person-to-person basis across the Conference, in cooperation with the Bishop and the Cabinet, and that the remainder be allocated to the local churches on the Grade Figure system. The Commission on World Service and Finance recommends this program of action, recognizing the inability of any such program to succeed without the united, sacrificial giving of "these people called Methodist."
- 1. That where the utilities are furnished by the local church either by direct payment or by reimbursement to the minister, the amount paid or reimbursed shall be reported to the Conference Treasurer and recorded in the **Conference Journal** in Column No. 51a. All other allowances (ie: Auto, Travel, Entertainment, etc.) shall be reported to the Conference Treasurer and recorded in the **Conference Journal** in Column No. 48c. It is furthermore recommended that the above amounts for utilities or expenses shall be considered as compensation from the charge in computing of Minimum Salary. It is the intent of this resolution that all money paid for parsonage utilities shall so be reported to the Conference Treasurer whether or not the church so paying is in the Minimum Salary fund. It is strongly recommended that adjustments be made so that the above recommendation will not reduce any pastor's income.
- m. That the World Service and Finance Commission recommend to the Nominating Committee the policy that the nominations for the Commission on World Service and Finance be placed into two Quadrennial "classes" in order to assure a carry-over of Commission members each Quadrennium.

AUDITOR'S REPORT

Oregon Annual Conference
The Methodist Church
Portland, Oregon
Dear Sirs:

August 17, 1959

We have audited the books and records of the Conference Treasurer's office and those kept by Mr. C. F. Klindworth for the Oregon Methodist Ministers' Retirement Fund for the fiscal year ended May 31, 1959 and April 30, 1959 respectively. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. In our opinion the records properly show your operations for the fiscal year and your cash and security positions.

We have also examined the records kept for the following funds:

Portland District Promotion Fund
Eugene District Promotion Fund
Forest Grove Promotion Fund
Helen Kelly Manley Fund and Carrier Trust
Committee on World Service and Trust
Board of Trustees
Camp Capital Fund
Camp Operation Fund
Board of Missions
Division of the Local Church

We would also like to commend the Conference Bookkeeper Mrs. Elma Barbur for the excellent job in keeping the books in proper order; during a year of confusion in the Treasurer's office.

Yours very truly,
Kneeland and Kneeland

THE REPORT OF THE PORTLAND AREA COUNCIL

Under the instigation of the Area Council we have cooperated with the other Conferences in the Portland Area in a number of mutual undertakings.

A Credit Union for ministers has become an established fact. Officers and Directors and the proper committees which meet the legal requirements, both State and Federal, are now functioning, and deposits are being received regularly from an increasing number of members. We need several thousands of dollars before sizeable loans can be made.

We had full cooperation throughout the Area in planning for the United Nations Seminar, attended by seventy of our members from the Area with twenty added to that number for the National Family Life Conference in Chicago. A gratifying Area-wide response to the visit and messages of Bishop Ferdinand Sigg of the Geneva Area kindled a new enthusiasm for the World Mission program of The Methodist Church.

Hundreds of our churches responded enthusiastically to the Alaska night in January and thousands of our people were introduced in a dramatic way to the new Methodist University project in the city of Anchorage, and the Alaska Mission program, for which our fellow Methodists are working, praying and giving. March the 18th the Reverend Richard Belcher sat with Area representatives to plan for the Interboard Schools in October 1959.

We are also looking forward to the Missionary Conference, "The Asilomar of the Northwest," planned for the College of Puget Sound campus August 7-12, and the proposed Industrial Conference in late fall of 1959.

We lament the untimely passing of Mr. William Spencer who helped so greatly in organizing the Area Credit Union.

Bishop A. Raymond Grant, Chairman

Upon the death of a child, wife, or a participating minister, the family is paid a death benefit of cash, amounting at the present time to \$200.00, from the Fund.

No appeal for funds is made unless there is a death in a family of the fellowship.

A Financial statement is filed with the Annual Conference each year, showing the amount in the fund.

THE REPORT OF THE COMMITTEE ON NOMINATIONS

The report of the Committee on Nominations depends on the personnel of the Conference. Where changes are made in the lay leadership of the churches and in pastoral appointment, a corresponding change is noted in the Boards, Commissions, and Committees. Because this report depends so much on both lay and ministerial appointment, it is impossible to have a complete presentation at this time.

Also, many of our commissions and committees are organized on a quadrennial basis and therefore are maintained throughout the quadrennium though subject to annual review.

In order to obtain the best leadership in the conference, your Nominating Committee is sending to each pastor and lay member a card on which to list places of leadership held in the Conference and places of leadership which they would like to fill during the next quadrennium. We hope to place leadership where it is most interested in serving.

This year, the last of the quadrennium, we have few changes except where necessary because of vacancies or new appointments. One change which may be noted is on the Commission on Christian Vocations. Robert Kingsbury has been asked to fill the position of chairman in place of Kenneth Peterson.

The final report of this Committee will be presented at Conference.

Lawrence Guderian
Secretary

REPORT OF THE PARSONAGE STANDARDS COMMITTEE

The Parsonage Standardization Committee has continued gathering material of existing conditions of the Conference parsonages.

Members of the committee have organized the material for their respective districts and made it available to the District Superintendents. In the next year, we hope to use this information from the questionnaires to promote a plan of minimum standards.

We express our sincere thanks to all who have cooperated so well with our program.

Sincerely,
Mrs. H. James Jenkins, Chairman

THE REPORT OF THE RULES COMMITTEE

The Committee on Rules finds that the rules of the Conference as redrafted and adopted by the Conference are in most respects satisfactorily serving the Conference and few requests for qualification and modification have been made.

The Rules Committee recommends that each Conference Committee and Board proposing changes in structure and procedure affecting any Conference Rule specify at the end of each annual report, the rule or rules that may be affected by their proposed changes.

The Rules Committee further recommends that whenever a Committee or Board of the Conference obtains Conference adoption of a change to structure or procedure affecting any rule, that the Committee or Board submit to the Rules Committee, prior to the Conference mid-year meetings, a draft of a new rule, or a rule change encompassing the newly adopted structure or procedure.

At the request of the Historical Society, the Rules Committee presents for adoption the following proposed change to Rule No. 8.020:

8.020 — HISTORICAL RECORDS AND CHURCH HISTORIES. Amending Sec. 4 to read as follows:

(Sec. 4) The Oregon Methodist Conference Historical Society shall be composed of those men and women who are interested in the history of Methodism in Oregon. Rule 3.050 shall not be applicable to membership in the Society. The nominating committee of the Conference shall annually nominate additional committee from a list of prospective nominees furnished the nominating committee by the Historical Society.

II

The Committee calls the attention of Methodists to the two following areas of concern.

1. We recognize a trend toward wholeness within our individual denominations which is good, but we also recognize that it leads toward parochialism, which has led to a lack of interest in programs of cooperation during the last few years.

2. We think the Council of Churches should speak with more clarity and act with more vigor as the United Agency of the Non-Roman Churches.

III

The Oregon Methodist Conference and the individual Methodist Churches of Oregon are a major factor in the support of the Oregon Council of Churches. We should look upon this with pride, as an indication of our commitment to the ecumenical principle. This year we are asking \$3,000 from the Conference Budget, and we urge local churches individually, to place the Oregon Council in their Local Church Budgets; with the expectation that for the conference year 1960-61 we will have complete conference support.

We resolve a continued support of the Oregon Council of Churches by the Oregon Methodist Conference and by the Local Methodist Churches.

Respectfully submitted,
Boone L. White, secretary

REPORT OF INSURANCE COMMITTEE

The Committee recommends that we transfer our medical-surgical insurance from our present Blue Cross coverage to plan "B" in Minister's Life and Casualty Union, for Active Members and plan "B-2" in M.L.C.U. for Retired Members.

Our reasons for recommending this change are these:

1. Our present medical insurance is inadequate, in terms of present costs.
2. M.L.C. offers a far superior policy than offered by Blue Cross or Industrial Hospital Association, for approximately the same premium.
3. M.L.C.U. coverage tends towards the "major medical" concept, in providing 140 days of coverage, with full benefits.
4. M.L.C.U. coverage includes both accidental death benefits and disability benefits which are "over and above" benefits, not included in the other programs.
5. M.L.C.U. provides greatly increased benefits for our Retired group members. Blue Cross provides 21 days coverage at \$10.50 per day while M.L.C.U. provides 70 days coverage at \$15.00 per day.
6. The Pacific Northwest and the Idaho Conferences have already taken the M.L.C.U. medical insurance programs. PNW has the program we are recommending.

Our Committee recommends that we take the above stated M.L.C.U. programs if the legal contract agrees completely with the M.L.C.U. brochures.

Our Committee recommends that the Retired members (with wives) pay \$6.50 per quarter of the \$36.50 quarterly premium, and the Retired member only, pay \$5.00 per quarter of the \$18.25 premium. This would keep the Conference paying approximately the same amount for coverage for our Retired members.

Our Committee recommends that the active members pay according to the following revised schedule.

Up to \$1,800	20%	80%
\$1,801 to 2,100	30%	70%
\$2,101 to 2,400	40%	60%

THE REPORT OF THE COMMITTEE ON THE OREGON COUNCIL OF CHURCHES

I

The Committee of the Annual Conference, representing Methodism on the Oregon Council of Churches, wishes to call the attention of the Conference to six specific achievements of the Council, during the past year.

1. The Migrant Report of the Legislative Interim Committee was made possible in large measure, by the work of the Council.

2. The Indian Termination meeting, in Salem, held by the Council brought attention and action toward this very vital problem.

3. The Council has been active in protecting the people of Oregon from breaking the wall which separates church and state by actively protesting the use of tax money for text books in parochial schools.

4. The Convocation in Eugene, in December 1958, shows the Ecumenical movement in both its strength and weakness. We feel that future Convocations deserves your attention and support.

5. The Council supported, during the past year, three pastoral workshops of significant value. At Gearhart, a meeting of clergy, doctors, and psychiatrists, and welfare workers. At Bend a similar workshop and counseling and treatment of Alcoholics in Pendleton.

6. The Council continues to be the center for Church World Service in Oregon and deserves special mention of the combined clothing drive held each September.

The Committee points to these six areas of activity as representative of the work of the Council. The Council also engages in a multitude of activities deserving the support of Methodists.

STUDY SECTION ON STATE OF THE CHURCH

REPORT OF THE BOARD OF SOCIAL AND ECONOMIC RELATIONS

I. The Board has met and is now concentrating its current work in four areas of concern: 1) Race Relations, 2) Church-State Relations, 3) Indian Affairs, 4) Industrial Relations. The report of this Board is the report of these sub-committees plus a joint recommendation with the Board of Temperance and the Committee on World Peace for a Conference Board of Christian Social Relations.

RACE RELATIONS:

II. Within the past twelve years substantial improvement has been made in the area of race relations. This improvement began with the passage of the Fair Employment Practices Act. Laws governing public accommodation have greatly improved such service availability on a non-discriminatory basis. While there are legal protections in the area of housing, to this date there have been various devices used whereby to make the legal protections less effective. Certain areas need our support to continue improvement. We suggest the following areas for continued effort:

1) In the area of public services we urge support for all efforts extending this coverage for the inclusion of personal services, such as barber shops, beauty salons, health salons, etc.

2) There should be a continuation of education programs to increase sensitiveness in the realm of race relations and to promote alertness to support helpful legislative proposals.

3) We need to be alert to report incidents needing correction and to command local church action for the relief of situations where tension might arise.

4) It is recommended that we express our appreciation to such firms as employ persons without regard to race but to ability only.

5) It is recommended that there be sent a questionnaire on race relations to discover attitudes and program now in local churches, for the purpose of providing direction to future education and action projects. This may be done in conjunction with a questionnaire from the Board of Temperance and the Committee on World Peace.

CHURCH-STATE RELATIONS:

1) We are interested in the procedure by which textbooks are selected for use in the Oregon Public Schools, and if parochial or private schools have the opportunity to influence the choice of these texts. Public school principals, superintendents, and county superintendents can make available the steps by which textbooks are adopted for use in the public schools copies of the Textbook Law. These should be studied by all interested persons and local church commissions.

2) We commend and support the Chapter of Oregonians United for Separation of Church and State in their continued challenge of the legality of the Revised Textbook Law and their interest to seek a court ruling. A test suit has been filed in the Clackamas County Circuit Court by the American Civil Liberties Union of Oregon.

3) We recommend local church study and discussion of fundamental issues involving the separation of Church and State to replace personal prejudice and expediency. The Oregon Courts have ruled on released time, off the premises religious instruction and bus transportation. There is evidence of confusion and abuse of both rulings and a lack of public understanding of the basic principles involved. We refer our people to Paragraph 2028 of the 1956 Methodist Discipline and "The Issues Involved in State Aid to Private and Parochial Education," an address by Dr. Raymond Balcomb of Corvallis.

INDIAN AFFAIRS:

After research and personal study, these recommendations follow:

1) For LOCAL CHURCHES near reservations or Indian settlements:

a. Make every effort to assimilate Indians into the fellowship of the church, striving to break down barriers of discrimination and ill-will, and to express the Love of God.

The Committee recommends we continue our present "Group Simple Life Insurance." For an annual payment of a little less than \$1,500.00, each effective member (up to and including 64 yrs. of age) is covered with \$800.00 life insurance (65 yrs. and up to 72 yrs. with \$400.00).

The Committee recommends that study of the Optional Death Benefit program of our Minister's Reserve Pension Fund be continued with the purpose of securing this fine coverage for our members.

THE REPORT OF THE HISTORICAL SOCIETY OREGON CONFERENCE

The Oregon Conference Historical Society, in this year of the Oregon Centennial, has been urging the churches to commemorate this event.

It has asked that ministers preach about the history of the Methodist mission so people might realize that the church was here before Oregon became a state. It has also asked that churches celebrate with plays or pageants, with local exhibits, with the writing of their histories, or in other ways.

The society has been working toward the publication of the book, "A History of the Oregon Annual Conference of the Methodist Church", by the late Thomas D. Yarnes, who was president of the society for a number of years. Dr. Harvey E. Tobie has been editing the manuscript. The office of the Coordinating Council has helped with the typing, and it is hoped the book will be published by the Methodist Publishing House.

The society has had the poem, "Where Thou Goest", by Anna Pittman Lee, set to music by Christine Willits. It is being published.

The history of the Oregon Annual Conference has been written by the late Thomas D. Yarnes. It has been edited by Dr. Harvey E. Tobie, author of "No Man Like Joe." The Oregon Conference Historical Society believes that this book should be published for this centennial year of Oregon history. The book is to be sold with the proceeds to go to the Conference. The coordinating council is instructed to promote the sale of this book.

May the inspiration of the story of the church of the past be a challenge for the church of the future.

Sincerely yours,

SPECIAL COMMITTEE ON CONFERENCE HEADQUARTERS

We, your Committee on Conference Headquarters, have met during the year, discussed the matter with many most directly concerned and submit our report:

It is the feeling of your Committee, and many share in this feeling, that it is highly desirable that there be established an "Oregon Methodist Conference Headquarters." It appears wise that due to the many uncertainties that lie ahead because of conflicting views among City, State and Federal Agencies relative to "Freeway Locations" that the matter be studied further in the light of Conference needs, availability of property and resources at hand. With the cooperation of the Conference Board of Trustees we shall continue to do so.

STATE OF THE CHURCH

REPORT OF THE BOARD OF
SOCIAL AND ECONOMIC RELATIONS

I. The Board has met and is now concentrating its current work in four areas of concern: 1) Race Relations, 2) Church-State Relations, 3) Indian Affairs, 4) Industrial Relations. The report of this Board is the report of these sub-committees plus a joint recommendation with the Board of Temperance and the Committee on World Peace for a Conference Board of Christian Social Relations.

RACE RELATIONS:

II. Within the past twelve years substantial improvement has been made in the area of race relations. This improvement began with the passage of the Fair Employment Practices Act. Laws governing public accommodation have greatly improved such service availability on a non-discriminatory basis. While there are legal protections in the area of housing, to this date there have been various devices used whereby to make the legal protections less effective. Certain areas need our support to continue improvement. We suggest the following areas for continued effort:

1) In the area of public services we urge support for all efforts extending this coverage for the inclusion of personal services, such as barber shops, beauty salons, health salons, etc.

2) There should be a continuation of education programs to increase sensitiveness in the realm of race relations and to promote alertness to support helpful legislative proposals.

3) We need to be alert to report incidents needing correction and to command local church action for the relief of situations where tension might arise.

4) It is recommended that we express our appreciation to such firms as employ persons without regard to race but to ability only.

5) It is recommended that there be sent a questionnaire on race relations to discover attitudes and program now in local churches, for the purpose of providing direction to future education and action projects. This may be done in conjunction with a questionnaire from the Board of Temperance and the Committee on World Peace.

CHURCH-STATE RELATIONS:

1) We are interested in the procedure by which textbooks are selected for use in the Oregon Public Schools, and if parochial or private schools have the opportunity to influence the choice of these texts. Public school principals, superintendents, and county superintendents can make available the steps by which textbooks are adopted for use in the public schools copies of the Textbook Law. These should be studied by all interested persons and local church commissions.

2) We commend and support the Chapter of Oregonians United for Separation of Church and State in their continued challenge of the legality of the Revised Textbook Law and their interest to seek a court ruling. A test suit has been filed in the Clackamas County Circuit Court by the American Civil Liberties Union of Oregon.

3) We recommend local church study and discussion of fundamental issues involving the separation of Church and State to replace personal prejudice and expediency. The Oregon Courts have ruled on released time, off the premises religious instruction and bus transportation. There is evidence of confusion and abuse of both rulings and a lack of public understanding of the basic principles involved. We refer our people to Paragraph 2028 of the 1956 Methodist Discipline and "The Issues Involved in State Aid to Private and Parochial Education," an address by Dr. Raymond Balcomb of Corvallis.

INDIAN AFFAIRS:

After research and personal study, these recommendations follow:

1) For LOCAL CHURCHES near reservations or Indian settlements:

3. A united board would facilitate cooperation among the conference agencies of Christian Social Relations.

Therefore, the following plan of organization is suggested:

II

The Board of Christian Life and Work

1) There shall be a Board of Christian Life and Work of the Oregon Annual Conference which will have primary responsibility for carrying out the Conference program in all matters of Christian social concerns.

2) Within the Board there shall be three agencies: the Board of Temperance, the Committee on World Peace, and the Board of Social and Economic Relations. The membership of the Board of Christian Life and Work shall be the membership of the three agencies sitting in joint session.

3) There shall be a chairman of the Board of Christian Life and Work who shall be elected by the Board; but, the chairman shall not while serving as chairman be either an officer or a district director for any of the three agencies. He shall be an ex officio member of all three agencies.

4) The duty of the chairman will be to preside over meetings of the Board of Christian Life and Work, to call such meetings of the Board as he may deem expedient, and in general, to expedite the social witness of the church.

5) There shall be a vice-chairman and a secretary of the Board of Christian Life and Work consisting of the chairman of the Board, the vice-chairman, and the secretary, and the chairmen of the three agencies.

6) The Board shall be represented on the Coordinating Council by chairmen for each agency in addition to the general chairman.

III

The Function of the Agencies Making Up the Board

1) Within the Board of Christian Life and Work there shall be three agencies: The Board of Temperance, the Committee on World Peace, the Board of Social and Economic Relations.

2) Each agency shall elect its own chairman, vice-chairman, and secretary.

3) The duty of these agencies will be to present to the Oregon Annual Conference recommended programs for the Conference year and to implement these programs adopted by the Conference through the Board of Christian Life and Work. Each agency will submit its own program to the Study Section on Christian Life and Work, and the report of the Study Section shall be report of the Board of Christian Life and Work. The Board will function by coordinating these programs.

4) Each agency will submit its own budget to the Board of Christian Life and Work, and the chairman of the Board will present a unified budget to the Commission on World Service and Finance.

5) Each agency will have at the District level a District Director appointed by the District Superintendent in consultation with the chairman of the agency concerned. The action of the District Directors will be coordinated by the District Superintendent.

THE REPORT OF THE BOARD OF TEMPERANCE

ACCOMPLISHMENTS:

1. Through the efforts of our local church Boards, our District Superintendents, and our District Directors, most of the local churches have a functionable Commission on Social and Economic Relations. In many cases, our Board's recommendation has been followed and separate chairmen are designated for each of the three divisions.

2. Churchmanship Schools in this field have met with a good response.

3. Strides have been made toward synchronizing the three Boards by placing them under a single general head, with each keeping their own identity and separate chairman, (see report).

Note: Forty-two Annual Conferences have already merged while fifty-eight remain separate. The general Boards have made gestures such as unifying their news sheets into "Contact" and uniting in Briefing Conferences.

4. By financial help from the General Board of Temperance, our Confer-

- b. Design a program of education to deepen the understanding of non-Indians toward their Indian brethren.
- c. Lead and actively support community efforts to assimilate Indians into the social and economic life of the community and to control exploitation of Indians by irresponsible persons.
- 2) For all other LOCAL CHURCHES:
 - a. Attempt to relate as closely as possible with Indians in the state through having visiting speakers, correspondence, sharing of resources, personal visits to reservations, etc., in order to establish intimate face-to-face relationships.
 - b. Deepen concern for Indian problems by prayerful and critical study of the integration and assimilation of Indians into the predominant culture of our country.
 - c. Give moral support and encouragement to those churches which minister especially to Indians.
 - d. Speak from an informed conscience their convictions to the law-making bodies of community, state, and nation especially as it relates to:
 - 1. The future termination of the Umatilla and Warm Springs reservations.
 - 2. The continuation of the Legislative Interim Committee on Indian Affairs for the next biennium in the state of Oregon.
- 3 For the CONFERENCE and BOARD OF SOCIAL AND ECONOMIC RELATIONS:
 - a. Study the Methodist Mission at Klamath to determine: 1. What may be done to make it more effective in dealing with the social and economic problems Indians face; 2. The role of religion in Indian life and how it may be strengthened; 3. The development of indigenous leadership in the mission churches.
 - b. Commend the Oregon Council of Churches for its attempt to define and find solutions for the problems of Indians and for its leadership in this area. Urge continued effort.
 - c. Urge the Oregon Legislature to continue the Legislative Interim Committee on Indian Affairs. We commend this committee for its work.
 - d. Express its conscience to Congress as it relates to past irresponsible action which is proving detrimental to the welfare of Indians in this state, and urge a policy toward Indian affairs that does not impair the long-range well-being of Indians.

INDUSTRIAL RELATIONS:

- 1) This Board pledges full cooperation and support in the Area Industrial Relations Conference to be held in Portland in September, 1959.
- 2) Recommend study by local churches and the Conference of the problem of the Methodist Church "becoming a middle class church."
- 3) Financing for housing, whether from public assistance sources or private sources, should be on the basis of nondiscrimination for race, and that there be the elimination of all discriminatory requirements for housing units or office space either on sale or lease.
- 4) Where relocation is made necessary by the preemption of property by any governmental unit, financing for the replacement of property in another area should be a part of the provision and including assistance in finding other suitable housing.

III. RECOMMENDATION FOR A CONFERENCE BOARD OF CHRISTIAN LIFE AND WORK: A PROPOSAL

(Passed by a joint meeting of the Board of Temperance, Committee on World Peace, and Board of Social and Economic Relations, January 16, 1959.)

I

The organization of a Board of Christian Life and Work in the Oregon Annual Conference is deemed advisable for the following reasons:

- 1. Oregon Methodism will be able to speak with more unity and power on the great social issues of these times.
- 2. At the present time the Christian concerns for temperance, social and economic relations, and world peace are united in one commission in the local church. With a united approach the Conference agencies in these areas could more effectively assist the local church.

4. David Poindexter, acting chairman for the committee contacted the Oregon representative in the U.S. House prior to the February session's voting on continuing the draft, informing them of the Resolution of the Oregon Conference of The Methodist Church. Porter and Green both voted against the measure and Mrs. Green inserted into the Congressional Record, the Oregon Conference's statement of last year declaring our opposition to peacetime conscription.

The District Directors and members of the Committee wish to acknowledge their appreciation to Hideo Hashimoto for his leadership and help and for his untiring efforts in making this past year successful in the committee's work.

II RESOLUTIONS:

We offer the following resolutions:

1. The United Nations: We believe that the United Nations and its agencies should be supported, strengthened and improved. Moreover, if these facilities are to become most effective, the United Nations, with membership open to all nations, must be given sufficient authority to enact, interpret, and enforce world law against aggression and war.

2. United Nations Membership: We believe that the United Nations in its work for peace and disarmament is weakened by the absence of any government. We therefore urge the State Department of the United States, the Oregon Annual Conference and the National Board of World Peace of the Methodist Church see interchange of ideas with all governments including encouragement of trade and passage of press and church representatives both ways behind all curtains and we urge our U. S. State Department to support the Recognition of any Nation into the United Nations that meets the requirements of the charter of the United Nations.

3. Political Freedom: We believe in self-government, and the participation in political processes by all persons within a nation.

4. Disarmament: The United States should assume greater initiative toward bringing national armaments under U.N. inspection and control in a process directed toward their consequent reduction, limitation and eventual abolition.

5. We are totally opposed to the resumption of nuclear-weapon testing under any circumstances.

We take this stand for the following recommendations:

Nuclear testing can continue only if we accept the proposition that some genetic and somatic damage from radiation is socially tolerable. We believe that Christian love means that any damage to any persons is socially intolerable.

Particularly is this true when it appears that much of this damage would occur in persons who are citizens of the testing nations. The argument that damage may occur to a small percentage (.01% to .04%) of world population is irrelevant. Such a percentage means 125,000-4,000,000 people many of whom will suffer 100-200 years from now.

To continue testing is to perpetrate a "folly in thoughtlessness" and in irresponsibility.*

We are gratified by progress that is being made in the development of nuclear energy for peaceful purposes and urge its further development.

*Source: The U.N. Scientific Committee on the Effects of Atomic Radiation quoted in Consumers report March 1959, Vol. 24, No. 3.

6. Peacetime Conscription: We urge the abolition of peacetime conscription.

7. World Economic Development: We support the statement of the Council of Bishops (Cincinnati, November 13, 1958):

"To lay firm foundations of peace, we give hearty endorsement to such foreign policy endeavor as the Hoover European program of relief, the Marshall Plan, 'Atoms for Peace,' a lowering of trade barriers, a strengthening of such other 'mutual aid' programs as those dealing with technical assistance and the development of natural resources for nations in rapid social and economic change and urge that we labor untiringly for the independence of colonies and satellite nations."

8. Military support of dictatorship: Since the Methodist Church has been a strong supporter of democracy and freedom, and since other nations of the world interested in democracy and freedom have looked to the United States

ence has had at least one delegate to all national studies and seminars, and eight at Briefing Conference in the last two years.

5. A bi-monthly letter sent out by our Conference Board of Temperance has been well received.

Besides continuing the above, we set forth the following goals:

1. Make more speakers and films available to W.S.C.S. and men's groups through the local commission on Social Relations and adding to our film library at least one new film each year at a cost of under \$200.00.

2. Encourage greater use of printed materials available and encourage each pastor and the three chairmen of the Christian Life and Work Commission subscribe to "Contact."

3. Work toward sending a college student to National or International School on Alcoholic Studies.

4. Closer co-operation with and utilization of all other groups working in this field of Temperance. Examples: Oregon Council of Churches in their Workshops on Rehabilitation of our State Hospitals, also their lobby at the State Legislature; the Oregon Temperance League in their need for our sympathetic help in their outstanding work in High Schools and Churches; not to mention State Rehabilitation and Educational Work, which neither our budget nor our "know how" equip for us.

5 We encourage the use of scholarships to help interested ministers and laymen to attend the Briefing Conference at First Church, Portland, September 22-28, 1959, as well as the churchmanship schools at the end of October.

6 We stand firmly behind the historic position of our church on the total abstinence from the use of alcoholic beverages and against the invasion of the home by misleading advertising.

There are over 5,000,000 alcoholics in the United States. No one ever becomes an alcoholic who does not drink. In the light of its devastating effects on human personality and social relations, we reaffirm the conviction that social drinking is incompatible with Christian conscience and witness.

7 Recognizing the terrible problems associated with the sale and rise of illegal narcotics, the Board of Temperance stands ready to assist any church in implementing a program of education on narcotics, especially for youth, that will alert and fortify them against this threat to body and soul. We stand behind that legislation and law enforcement that would impose stiff penalties on persons convicted of the illegal sale of narcotics.

Respectfully submitted for the
Board of Temperance,
Robert McIlvenna, Chairman

THE REPORT OF THE COMMITTEE ON WORLD PEACE

I. REPORT OF PAST YEAR'S ACTIVITIES:

Under the capable leadership of Hideo Hashimoto and as a result of the appointment of District Directors of World Peace, the committee has in the past year made significant strides forward.

As a result of six meetings together during the year, the attendance by all directors and the chairman, and one layman at the Western Regional Briefing Conference in September, and through the co-operation with the Boards of Temperance and Social and Economic Relations, the program for implementation of last year's recommendations has been carried on. The following will indicate some of the efforts of the committee:

1. Participation in 11 churchmanship schools. A total of 170 laymen and ministers were reached in the Commission on Social Relations workshops. At each the filmstrip "A New Kind of Building" was shown and discussions on local church organization were held.

2. Sponsorship of Dr. Daniel Taylor in two conference-wide meetings for inspiration and education for World Peace.

3. Distribution of a wide variety of printed materials from the Board of World Peace to all churches desiring it.

With the national emphasis on recruitment for the various types of church-related vocations, church members in general are becoming more aware of the place of the deaconess in the church today. Interpretation continues to be a difficult task however in a conference such as ours where we have no active deaconesses. However, we are trying to acquaint people with the wide variety of ways in which girls may serve through church-related agencies and the privileges and opportunities of the deaconess relationship.

A meeting of the Conference Deaconess Board was held March 7, 1959. Action was taken to enlist the assistance of the Oregon Conference Woman's Society of Christian Service and the Oregon Conference Vocations Commission in promoting recruitment. Efforts shall be made to obtain audio-visual materials for use in local churches and youth gatherings. Deaconess literature will be distributed through District and local missionary training schools.

With increased need of personnel in church related vocations the unused potential of women workers opens up a wide field of promise.

Gene Hamblen
President, Deaconess Board

THE REPORT OF THE OREGON CONFERENCE MISSIONARY SECRETARY

In early Fall training sessions for the Commission on Missions, and particularly with respect to the holding of Schools of Missions, were held across the Conference with the District Missionary Secretaries leading these sessions in their respective districts.

"Christian World Facts," a booklet compiled by the Joint Section of Education and Cultivation was again purchased in sufficient quantities for each minister to have one copy as resource material for preaching on the subject of missions.

Again this year, a monthly sheet of pertinent missionary facts was compiled and put into the hands of the pastors of the local churches to give them material to use in a one-minute presentation of missionary work in the morning worship service.

The list, published last year, of men and women residing within the Oregon Conference who are capable because of first hand experience with the mission field and willing to give time speaking in the churches of the conference, was brought up to date by the Executive Secretary of the Coordinating Council and again placed in the hands of the ministers for their reference along with the suggestion that they use these people for missionary education in their churches.

The Conference and District Missionary Secretaries attended the Missionary Education Movement Conference at the Asilomar camp grounds on the Monterey Peninsula in California last August. This conference dealt principally with the subjects for mission study this year; namely, "Our North American Neighbors" and "The Middle East."

The Conference Missionary Secretary also attended a conference on Promotion and Cultivation organized by the Joint Section of Promotion and Cultivation and held in San Francisco in the early part of December. Purpose of this conference was to brief and educate promotional agents within the Conferences.

The filmstrip "Your Commission on Missions" which has been in the hands of the Missionary Secretary for distribution received some circulation this year.

The General Board of Missions asked for and received my cooperation in the distribution of a motion picture on Africa entitled "The Mark of the Hawk" produced jointly by the Methodists and Presbyterian churches and being shown commercially in theatres across the state. To date we have received notice of the film being shown in six theatres and have lent cooperation in making that fact known in the churches in the areas where the film was to be shown.

of America as an example, we urge our Congressmen and our State Department to discontinue military support of dictatorships.

9. Willamette University: The Oregon Annual Conference heartily endorses and supports the quadrennial emphasis on Christian higher education. We believe that church-related colleges and universities are playing a vital role in the training of young people to meet the present crisis and to build for enduring world peace. We commend Willamette University for contributing toward this end on our behalf. We regret, however, that the trustees of the University have not discontinued A.R.O.T.C. on the Willamette campus. Therefore we call for the abolishment of the A.R.O.T.C. unit on the Willamette University campus.

III. IMPLEMENTATION

A. We agree with the establishment of the Board of Christian Social Relations in the Oregon Annual Conference.

B. We heartily endorse the "Nationwide Program for Peace" from June 1959 to June 1960, to be sponsored by the National Council of Churches. We urge the Conference, District and Local church participation in this program.

C. We ask that the Resolutions of the Committee on World Peace as adopted by the Annual Conference be studied and discussed by every local church Commission on Christian Life and Work, and be read in every church on World Order Sunday.

D. We welcome the Western Regional Briefing Conference on Christian Social Relations to be held at First Methodist Church, Portland, September 22-24, 1959.

IV. RECOMMENDATIONS TO THE LOCAL CHURCHES

1. There shall be an active Commission on Christian Social Relations which shall include a concern for world peace in local churches in the Oregon Conference. The local churches are asked to take initiative in inviting the District Directors of World Peace to assist them in this concern.

2. Program suggestions for local church Commissions on Christian Social relations in the area of World Peace.

a. Observe United Nations Week, October 18-25, 1959; World Order Sunday, October 25, 1959; and Human Rights Day, December 10.

b. Cooperate with other agencies promoting world peace, such as the American Friends Service Committee, Oregon United Nations Association, and World Affairs Council.

c. Use the film strip "Three Promises To You" with Children in the Christian Education program of the church. (Available from the conference Audio-visual library).

d. Use the film Alternatives with all Senior High M.Y.F. groups. (Order from American Friends Service Committee, 4312 S.W. Stark, Portland 14, Oregon.

V FAMILY DAY OBSERVANCE

We move that the Oregon Annual Conference go on record as supporting the efforts of local communities and churches to promote Family Day observance and business closures to that end.

Methodists will observe Sunday as Family Day.

Two major projects of the Conference Missionary Secretary this year have been (1) working out an itinerary among the local churches for Loyd Schaad, agricultural missionary from Angola whose home is in the Oregon Conference. Loyd and his family lived in Corvallis this year where he took advanced work in Agriculture preparing to go back to the field. The attempt was made to work out a week-end schedule and some evening meetings. The statistical reports in the Conference Journal were thoroughly examined to determine what churches had not paid their World Service apportionment in full last year and this missionary was scheduled in those churches as far as possible. He held meeting in at least 31 of those churches. (2) the preparation of information sheets for Church Extension projects. An attempt was made to keep these sheets brief, while making them factual and interesting. The same type of material for the promotion of National Missions Projects was secured from the Division of National Missions of the General Board. Each one of these featured one of the families who have gone from the Oregon Conference to serve in Alaska, namely, Edward Stanton, Revelle Roach and Dick Bruner. The literature, both on Church Extension projects and on the men who have gone to Alaska were distributed to the pastors of the Conference through the Coordinating Council Office and to the chairmen of the Commissions on Missions of the local churches through the hands of the District Missionary Secretaries.

We also had the privilege of having in our Conference this year for two weeks, Dr. Takuo Matsumoto, dean of the School of Religious Studies at Aoyama Gaukuin in Tokyo who was formerly the president of the Hiroshima Girls School when the atomic bomb fell on that city in 1945. He spoke in fifteen of our churches during those two weeks.

THE REPORT OF THE COMMITTEE ON PERIODICALS, PUBLICATIONS, AND COLLECTIONS

Now that the TOGETHER MAGAZINE has proven its worth and made a record place for itself in religious journalism we must continue to promote its even wider use. Every official board should write into its budget the "All Family Plan" so that every Methodist family in the conference will receive this fine magazine and be able to keep abreast of Methodist affairs and have for the whole family a distinctly religious magazine. With the emphasis we are making on Christian Family Life the TOGETHER MAGAZINE becomes an increasingly important tool to help keep our families aware of their Christian tasks in our modern world. Bear in mind that the Supplement mailed in TOGETHER takes the Portland Area news and the personal message of Bishop Grant into every family circle. We have a top magazine and we need to be proud to promote it to the fullest.

The World Missionary Cause of our church can be furthered if we will see that the available literature is brought to the attention of our people. Most of it is free—from the Board of Missions, 150 Fifth Avenue, New York 11, N. Y. Write them for a list of what is available, and watch their column in THE METHODIST STORY. The best way to keep up-to-

SECTION V — Your Conference Board makes the following recommendations:

1. The Board recommends an annual compliance with paragraph 1301 in

which was occupied on the first of February. An open-house will be held in this latest addition to the Manor facilities in the near future. With the completion of this unit we now have the outstanding home for the retired in America.

All of these developments have charters with the National Board of Methodist Hospitals and Homes. They are in no way related to or responsible to the Oregon Annual Conference.

The Conference Board also reports this year that the W.S.C.S. of the Conference is seeking funds for a \$500,000 Endowment Fund for the Methodist Home for the Aged in Salem. The Conference Board has recommended that the Women's Society be given permission to conduct a quiet campaign for funds to underwrite this program. Members of the Conference Board will sit in an advisory capacity with the trustees of the Salem home as this plan is developed.

It is reported also that the plan for hospital chaplaincy is progressing satisfactorily. The responsibility for this work will rest with the Portland Council of Churches who have already hired an administrative chaplain. He will collect names of patients at the hospitals and deliver them to the respective denominational executives for distribution to the pastors.

Finally, your Board would like to point out to the pastors and laymen of the Conference that "human welfare owes its origin to the church's Concern," and that there is literature available for us to use with our youth as we emphasize recruitment and the training of quality personnel for Christian careers in health and welfare.

Sincerely,
Olin E. Parrett
Chairman

URBAN LIFE COMMITTEE

During the year Dr. Philip Edwards of the City Work Staff of the Division of National Missions visited the Oregon Conference to confer with each of the district superintendents on the particular type of city church work found in our Conference.

Copies of the pre-Urban Convocation Study, and reports of the Urban Life Convocation have been made available to pastors in urban and suburban churches in Oregon. The Convocation was held in February 1958, and the studies were completed just prior to that date.

Copies of the Urban Life Studies and the Urban Life Convocation Report have been placed in the State Library at Salem, Willamette University Library, University of Oregon Library, and the Portland Public Library in order that they be available to a larger number of interested persons.

Copies of the Study and Convocation Report may be had by writing the Chairman of the Urban Life Committee.

Pastors or laymen desiring information or help in the work of our Urban Churches should contact their district superintendent or Dr. Robert A. McKibbin, Urban Work Department, Division of National Missions, 1701 Arch Street, Philadelphia.

The goals and objectives of the Urban Life Committee are found in the Journal of the Oregon Conference for 1958.

THE REPORT ON THE GOODWILL INDUSTRIES OF OREGON, INC.

date on Methodist missions is still to read the monthly issues of **WORLD OUTLOOK**. It might be a good idea in addition to the personal subscriptions to have several copies each month available for checking out of the church library or the church office. Attention should be called to the current articles so that interest in this periodical will be greatly stimulated.

The General Board of Lay Activities has many very pertinent pamphlets that ought to be in the hands of the laymen who are providing the leadership in each local church. Many of these pamphlets are for general distribution to help educate our people in such areas as stewardship, finance, and programming. Write for their catalog—Board of Lay Activities, 740 N. Rush Street, Chicago 11, Illinois.

The Oregon Conference Headquarters has many free helps in the area of Christian education. Write for a catalog of their educational pamphlets or write and state what you need. For those who would like personal guidance in selecting what pamphlet literature will be most helpful in their particular circumstance, contact (1) your district missionary secretary, (2) your district secretary of evangelism, (3) your district lay leader, (4) your district director of world peace, (5) your district director of temperance, and (6) your district director of social and economic relations. All are listed in the conference journal at the end of the appointment list. This year let us use the periodicals and pamphlet resources that are so readily available.

THE REPORT OF THE COMMISSION ON TOWN AND COUNTRY WORK

The Commission will continue to offer aid to District Superintendents and ministers in the work of research and survey. It has promoted studies in two communities in the past year and is ready to help in other areas.

We will cooperate with the Methodist Rural Fellowship in common concerns, three of which are; 1. The Rural Fellowship banquet at Annual Conference. 2. Planning for the 1961 Rural Life Conference which is to be held in Tillamook. 3. Seeking to improve the morale of the rural minister, and encouraging him to find the fulfillment of his ministry in the rural church, in view of the challenge of the unmet needs in rural areas.

Because of its importance to the town and country minister, the Commission is promoting attendance at the National Town and Country Conference at Wichita, Kansas, July 21-24, 1959.

We will continue to encourage attendance at the Oregon Council of Churches Town and Country Conference at the Oregon State College in Corvallis each fall.

Chairman

THE REPORT OF THE BOARD OF HOSPITALS AND HOMES

The Board of Hospitals and Homes, through its individual members, continues to act in an advisory capacity to the institutions now within the borders of the Conference. Walter Higgins is Executive Secretary of the Rogue River Manor, Medford, Oregon. He reports that in excess of one half of the 270 apartments have been sold. Excavation is now completed with construction to begin about March fifteenth. Occupancy is expected by mid-summer of 1960.

Another member of our Board, Rev. Edward Terry, is director of Rose Villa, a home ready for construction south of Willamette View Manor. In this development there will be 83 complete living units and ten with no cooking facilities. Apartments are all sold with several on the waiting list. Construction is to begin immediately.

Your chairman is on the Willamette View Manor Board as vice-chairman and with particular responsibility for the new convalescent hospital

up to the present time to the Louise Bunch-Beulah Faber Memorial Chapel of the Methodist Home. This is in addition to their pledge to Missions of \$6,000.00 and their other gifts such as National College and their local churches. Their membership is close to one thousand.

One U.S. 2 from Lebanon entered limited term missionary service. She is Mary Ann Doughton who is serving as a counselor at the Francis de Pauw Home for Girls, in Hollywood, California.

The Second Mile giving (Supply Askings) for National Missions is \$1,912.00; and for World Missions is \$2,310.00. We are most apt to fulfill this "over and above" contribution.

The pledge to Missions of the Woman's Society and the Wesleyan Service Guild for the year 1958-59 was \$59,950.00 including cultivation; to Conference projects \$4,140.00.

Conference Projects of the Woman's Society include: Methodist Home, Linnton Community Center, Migrant Work, Youth and Student Travel Fund, and Scholarship Fund.

In addition to this, both money and dedicated service have been given in a large measure to the Building Fund of the Methodist Home. At the end of the third quarter, \$10,500. has been received for "Bricks" or as gifts from interested people.

The publications used by the women of this conference are "Together Magazine," "The Methodist Woman" (1667 subscriptions), "The World Outlook" (843 subscriptions), and the "Oregon Conference Bulletin." Methodist material is used to a large extent by those secretaries of Youth and Children who work with the M.Y.F. and the church school.

Eight officers and one student attended the Fifth National Assembly which was held in St. Louis, Missouri in May, 1958. This was a rich experience. In June ten officers participated in the Western Jurisdiction School of Missions in Salt Lake City, Utah.

The W.S.C.S. School of Missions was a very successful one, held in July at Camp Magruder. There was an unusually large attendance.

The Woman's Society Annual Meeting was held May 5-6 with the Hillsboro women as hostesses.

Another opportunity will be offered, we hope, for our young people to have contact and counselling with Miss Marquerite Twinem, also a Missionary Personnel Worker for the Woman's Division. She hopes to be here for the meeting of the Western Jurisdiction of The Woman's Society of Christian Service which will be in the Rose City Park Church in Portland. Mrs. J. Fount Tillman and Bishop A. Raymond Grant will be among the featured speakers during the meeting. This will open with a meeting of the Deaconess Association Oct. 18-19. There will follow an executive session of the Western Jurisdiction on the 19-20. After these preliminary sessions, will be held the meeting of the Western Jurisdiction on the 21st and 22nd. These meetings are open to the public. It should be a time of inspiration for all interested persons. On October 23-25 the Wesleyan Service Guild will conduct their weekend meeting. We are looking forward to these meetings with pleasure. Mrs. L. D. Wrentmore is general chairman for the meetings of the Western Jurisdiction and Mrs. Olaf Hjorth is president of the Rose City Park local society. As Women of the Oregon Conference, our prayer is not so much to get God to do things for us, but to make it possible for God to do things in us and through us.

THE REPORT OF THE HEIFER PROJECT, INC.

We are happy to report to this Conference some of the high lights of the Heifer Project for 1958.

There was a total of 89 shipments going to 24 different countries.

The total livestock shipped: Cattle 634, goats 180, sheep 269, pigs 379, rabbits 189, baby chicks 33,565, hatching eggs 3,440 and one horse to Bolivia. The countries to which the above animals were shipped may be had on request.

Since the beginning of the Heifer Project, 1944-1958, the total animals shipped: Cattle 10,746, goats 7,924, chicks 391,727, hatching eggs 314,097, sheep 1,509, pigs 1,903, horses 48, burros 25, rabbits 885, turkey poults 3,000, ducklings 500, guinea keats 100, bees 200 hives — to 54 countries in 14 years.

human ills, including amputees, paraplegics, polio victims, cerebral palsy, heart disorders, deaf-mutes, epileptics, arthritics, defective vision, etc.

In the 31 years that G.I.O. has been operating, a grand total of 10,011 different persons have been served. Financial payment in the form of wages to them has exceeded 4½ million dollars. In 1958 alone these so-called unemployable folks were able, while developing self-supporting trades and skills, to earn for themselves \$460,000. Not only was this done without any added cost whatsoever to the taxpayers of this state, but these same individuals in turn paid their own tax load, both state and federal, in the amount of \$61,000.

All of this represents excellent increases over the preceding years, making it the best in our history. Our average daily employment of 252 is an increase of 15%. Total wages of nearly a half million dollars, sales of over \$600,000 and total budget in excess of \$700,000 all reflect increases of 18% each.

How was such a record possible? Because of YOU—you who supplied the raw materials—no longer needed clothing, furniture, household wares; and the interest, encouragement and leadership through the years to make this self-help program a success; a practical program with a Christian concern.

Eighty-six different churches, as of this writing, have participated in the credit plan adopted by the Conference last June. These churches collected 1,579 bags of material for Goodwill Industries, receiving Conference Special Credit in the amount of \$4,737.

As impressive and significant as these figures may be, their true value can be measured only in terms of service rendered. For example, during 1958, 73 different people were referred to us by the Division of Vocational Rehabilitation alone. All of these were so severely handicapped as to be considered unemployable or marginal. Following their evaluation and training at Goodwill Industries, 15% of this number were placed in employment at Goodwill, and 23% were placed in outside employment.

We, like any corporation, like to declare a dividend at the end of the year; but our dividends are not gilt-edged. Rather, they are measured in the lives of people. Constantine Durkupitz, a deaf-mute and graduate of our Shoe Repair Department, put it this way: Wishing a small favor, but unable to talk, he wrote me this note: "Please help me so little. Thank you so much." People at Goodwill Industries are asking very little, but their gratitude is very much, indeed.

THE REPORT OF THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE AND THE WESLEYAN SERVICE GUILD

The Woman's Society of Christian Service is trying through each local woman to live the quadrennial theme, "The Spirit of Christ for all of Life."

We are happy over many of these pertinent statistics—others give us an urge to improve:

One new society—Cherry Park, Portland, making 154 societies in the conference.

Eleven churches in which there is no Woman's Society.

362 new members as reported February 1, 1959, (11,816 as of May 31, 1958).

Quite a number of Societies using film, film strips, and other visual aids.

Large numbers have participated in choir, church schools and other activities.

Interest in legislative bills, visits at the legislature reasonably good.

Many women actively interested in Council of Churches and United Church Women.

Excellent response exhibited by many of the 58 Wesleyan Service Guilds of the conference at their Annual Meeting at Magruder in July, 1958. Also at the House Party of the W.S.G. in Portland in October, 1958. Their dedicated service, their regularity, generosity and loyalty in their gifts are made impressive when one observes that approximately \$6,000.00 have been contributed

be a dedicated leader and trusted friend by his preaching, presiding, and counseling;

Whereas the Conference Office and secretarial staff members have been efficient and we are deeply grateful for the years of leadership and service that Ernest Harold has given the Methodist Church and our Oregon Conference;

Whereas excellent radio and television publicity for our Conference sessions have been given by the stations of Medford, and especially KBES-TV; and Milton Nelson, and his wife, have capably given service in the area of public relations;

Whereas The Medford Mail Tribune, The Oregon Journal, and The Portland Oregonian have had staff men covering the daily sessions, and have given us excellent coverage;

Whereas we have been encouraged by the plans of the Conference and the brotherly cooperation of all Conference members, even to not "haggling" over votes for our General and Jurisdictional Conference delegates—persons we know will well represent us;

Be it therefore resolved that the members of the 107th Oregon Annual Conference of The Methodist Church go on record expressing our sincere gratitude and heart-felt appreciation for these, and all, courtesies and kindnesses on our behalf.

Respectfully submitted,
Donald E. Colburn, Chairman

The plan for the coming year and the years to follow is that of expansion. Our role is to bring relief, rehabilitation and goodwill to those countries in need. The trend of foreign aid today leans heavily toward the military thus we are being denied the help we used to get from ICA in transportation of our livestock. Our Executive Secretary says we could have shipped many more heifers had we had the funds with which to pay ocean freight.

At a recent Heifer Project National Board and Staff meeting in Columbus, Ohio, Dr. Gaither P. Warfield of the Methodist Committee on Overseas Relief, and one of the board members, promised aid toward the employment of a national field man. The reports from overseas where our livestock has gone is so very encouraging that this expansion of service was readily sanctioned.

As to the financial angle for 1958 there was a total income in cash of \$256,299.14. The total value of the 1958 program expenses, including purchase of livestock, value of contributed animals and the value of contributed used farms during the year, etc., amounted to \$425,989.05. Percentage of the grand total used for administration cost is 14.07%. This, we think, is a splendid showing in real service for a great cause.

We want to thank the Methodist Church, Bishop Grant, the ministers, Sunday School superintendents, teachers and members for the very wonderful part they are giving to Heifer Project and especially do we want to thank Rev. Donald Baldwin, of Fern Hill Methodist Church, Tacoma, and Rev. Alpha Takaga, of the Japanese Methodist Church, Tacoma, for their services in taking a shipment of heifers to Japan last summer.

Sincerely,
David E. Norcross, Northwest Director

North Dakota, 1906-1910; MacVile, North Dakota, 1910-1914; Milan, Minnesota, 1914-1918.

In 1918 he moved his family to Minneapolis, Minnesota, and in 1921 to Portland, Oregon. After several years in evangelistic work, he went to Seattle, Washington where he served the Emmanuel Methodist Church from 1931-1938. He then served the Hoyt Street Methodist Church in Portland until 1942 when he retired. After retirement, he served the Cove Methodist Church on Vashon Island until 1951. Since that time he resided in Seattle until his death, September 21, 1958.

LOUIS MAGIN
(April 16, 1959)

Louis Magin was born in Taylorville, Illinois, on September 21, 1873, the sixth of eight children. At the age of thirteen he was brought to Christ in the Union Revival held in the Opera House in Edinburg, Illinois. Immediately afterward he joined the Methodist Church, serving her faithfully until his new appointment to the Church Triumphant on April 16, 1959.

His distinguished professional career began in the field of education, for upon his graduation from Illinois Wesleyan University and Boston University School of Theology, he became successively a High School Principal and then Superintendent of Public Schools in Cities of Illinois and Minnesota.

He began his full-time Ministry in Mandan, North Dakota which was considered a very difficult charge at that time. He rapidly built up the work there, moving the church building to a more suitable location.

The next year he was appointed to the McCabe Methodist Church in Bismarck, North Dakota. After serving seven years in North Dakota he was appointed to the First Methodist Church in LaCross, Wisconsin, taking his bride, Faith Hicks, a North Dakota school teacher with him. Their son Robert Wesley was born while there in 1912. The following eleven years he served Walker Memorial and Calvary Churches in Minneapolis, Minnesota, and welcomed a son, Louis Hughes, and a daughter, Margaret Walker, into his family. He lived to see this son killed in action in Germany in 1945 and his daughter taken by illness in 1934.

In 1923 he entered our conference, coming on an exchange with Dr. Shute to St. Paul's, Spokane, following which he served Sunnyside, Portland and Roseburg Churches. He served as Superintendent of the Salem District for a full term, and during his service was elected on the first ballot to the Uniting General Conference of 1936, at Columbus, Ohio. He served on the General Board of Missions and Church Extension, representing the Portland Area.

Retiring in 1940, Louis Magin preached for seven years in the New York East Conference, and spent his latter days with his wife, Faith and son, Robert in Long Beach, California.

Louis was a man of deep conviction and boundless energy. He enjoyed the difficult task and applied himself to his ministry with the deep devotion and winsomeness of the true pastor of souls.

"Be strong! It matters not how deep entrenched the wrong,
How hard the battle goes, the day how long;
Faint not! Fight on! Tomorrow comes the song!
Be strong."

For him, and "for all the saints who from their labors rest," we give thanks.

After living a year at Astoria Oregon, the family moved to Grays River, Washington. There she was married to the Reverend Clarence G. Morris in 1894. The couple served Methodist churches in Washington and Oregon until the Reverend Mr. Morris's death in 1942. Upon her husband's retirement from the active ministry, the couple moved to Cave Junction, Oregon, where Mrs. Morris resided until her death.

Mrs. Morris was an accomplished gardener and a past president of the Illinois Valley Garden Club. She took pride in arranging flowers to beautify the sanctuary of each church, and the grounds of each parsonage in which she lived were carefully tended and improved by her clever hands. Because of her example, her children were proud to live in the parsonage and felt at home in each new community. Her quiet, unassuming way and unfailing devotion to duty were an inspiration to all who knew her.

he placed the basement under the sanctuary. From there he was called to Cornelius and then to Nehalem and Wheeler. Later Pastorates were at Monroe-Alpine, Estacada-Garfield-Viola, and Warrenton.

In the midst of his own work, Brother Shaffer was never too busy to help a neighboring Pastor with special meetings or to help a neighbor who needed either spiritual or physical assistance. He retired in 1938 but did do some preaching later.

Brother Shaffer was a man of deep consecration. He served several of the weaker churches in Oregon at a time when they needed real encouragement, and thus helped them become valuable churches in our conference.

WIVES OF MISSIONARIES

HILDA B. PROEBSTEL

(May 15, 1959)

Hilda B. Proebstel, born Feb. 3, 1889, Gardner, Oregon, died May 15, 1959, Portland, Ore. She was married Nov. 10 1938 (no children). She taught in the public school system until she retired a few years ago and was a member of University Park Church for 35 years.

LAYMEN

HELEN WHITCOMB

(May 8, 1959)

Miss Helen Whitcomb was the Lay Member from The Dalles since 1954. She was born in Council Grove, Kansas, August 4, 1895 and passed away May 8, 1959. She spent many years as a teacher in Oregon Public schools, principally in The Dalles where she taught mathematics and art. As a member of the church in The Dalles she served in almost every capacity but she is remembered principally as a Church School Teacher, Benevolent Treasurer and genial "greeter" who stood at the door of the church making thousands of worshippers welcome. Among the organizations which were proud to list her as a member were: The National Education Association, The American Association of University Women, The Delta Kappa Gamma Society and the Oregon Education Association.

At her memorial service it was said: "Before Helen taught the subjects of art or math, she first taught people. Subject matter was important to her, her standards were high, she was often strict beyond the students liking, but her real interest was in the person learning, not in the subject being taught. This accounts for her long hours of individual instruction before and after school and during the lunch hour. This also accounts for the respect in which her fellow members of the faculty held her. They knew that she had accomplished what most teachers only hope to do: to rise above the books and papers and routine of class work and enable the truth to become a living quality in the hearts of those who sat before her."

ed to the District Superintendent on a form supplied by the Board of Missions.

C. A charge that has been a "Conference Charge" for a period of three years shall be recommended to the Cabinet to be placed on a circuit if not already on a circuit or be discontinued as a "Conference Charge" or both. (Discontinuance is not to be interpreted as meaning being discontinued as a preaching point.

D. Supplementary salary funds paid to a charge shall be remitted by said charge regularly to the minister serving the charge; the use of such designated funds for any other purpose shall be considered as misappropriation of funds. Such misappropriation shall immediately disqualify the charge as a "Conference Charge."

(Sec. 4) The minimum salary for ministers of the Oregon Conference devoting full time to the ministry shall be:

A. In full connection	\$3300

It is the intent of this resolution that all money paid for parsonage utilities shall so be reported to the Conference Treasurer whether or not the church so paying is in the Minimum Salary Fund. It is strongly recommended that adjustments be made so that the above policy will not reduce any pastor's income. Charges are encouraged to pay utilities for the benefit of the parsonage family.

D. There shall be an increment schedule as follows for ministers serving "Conference Charges."

1. When a "Conference Charge" increases its portion of its minister's salary, one-third of the increase may upon the recommendation of the District Superintendent and the approval of the Board of Missions be applied to increase the minister's total salary schedule.

OREGON ANNUAL CONFERENCE THE METHODIST CHURCH CONFERENCE GRADE FIGURES

The Grade Figure is a proportion expressed in decimals of the financial ability of a church to the financial ability of the Conference. It is based two-eighths on membership, three-eighths of ministerial salaries, and three-eighths on expenses.

The Grade Figures are computed near the close of one conference year to apply to the following conference year. They are computed by using the averages of three years, the years being those immediately preceeding the year in which the figuring is done and which are then published in the Conference Journal.

For the purpose of brevity and to allow a small margin of safety against deficits, the conference averaged totals do not include fractions of thousands of dollars.

The formula for the part of the figure based on membership can be expressed by $m/M \times 2/8$. The membership figure is found in Column 9 of the Conference Journal.

The salary item is $s/S \times 3/8$. The salary figures are found in Column 47c of the Conference Journal.

The expense item can be expressed as $e/E \times 3/8$. The items included under expense are taken from Columns 44, 45, 48c, 56c, and 62 of the Conference Journal.

The total of the three above computations is the Grade Figure.

Conference Grade Figures

THE REPORT OF THE SPECIAL GRADE FIGURE STUDY COMMITTEE

The 1958 Annual Conference asked the Bishop to appoint "a special committee to study the membership factor in the grade point calculation and report to the next Annual Conference."

The Committee has held three meetings one of which was a hearing. After careful consideration we present the following report:

1. We do not recommend any change in the membership factor at the 1959 Annual Conference.

2. We are convinced that the formula can be made more equitable; however, we believe that an exhaustive study should be made before making changes in the established formula. We are not sure that the Conference has authorized the present Committee to study more than the membership factor; nevertheless, we found it difficult to study the membership factor without studying the entire formula.

3. We recommend that the Committee be continued for another year, that it be given authority to study the entire formula (including of course the membership factor), and that it report to the 1960 Annual Conference.

4. Further, we recommend:

a. That a member of the Commission on World Service and Finance and a member of the Cabinet be appointed to the Committee by the Bishop.

b. That \$100.00 be placed in the Conference Administration Budget for the computing of the effect certain formulas would have upon the apportionments to the churches or that the Commission on World Service and Finance make the Conference Treasurer's staff available to do this computing.

Committee Submitting Report:

Paul Jewell, Secretary
